GENERAL CAMP INFORMATION

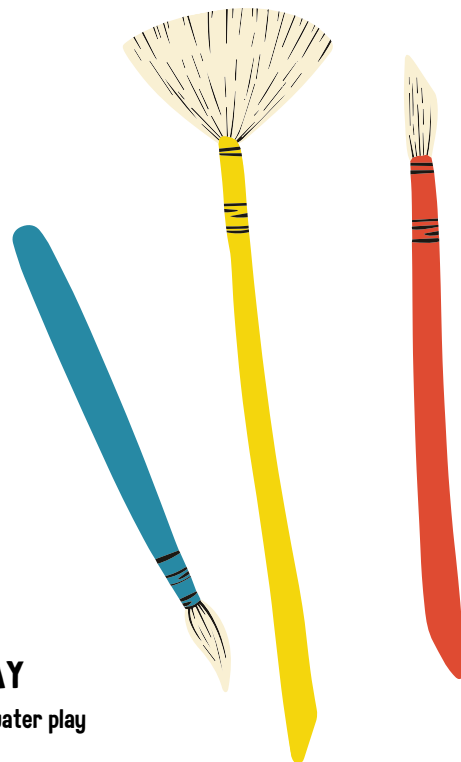

Camp Sheridan is a camper experience-driven day camp. Our programming is designed to allow children the opportunities to play, grow their skills, and explore their passions in a safe, adult-led environment.

Camp Sheridan is open to children ages 4 to 13 and offers half-day and full-day options. Camp begins at 8:00 am for all campers. Half-day dismissal is at 12:00 noon. Full-day dismissal is at 3:00 pm. All campers should bring a lunch each day. Please note that we are a peanut, tree nut, and other food-allergen aware camp, not allergen-free.

Further in this brochure, you can review our Camp Courses to-date. Each Camp Course is created and taught by a Camp Sheridan Leader. Leading up to the start of camp, all registered campers will be given the official Camp Course Catalog. Campers will be asked to rank the Camp Courses from MOST INTERESTED to LEAST INTERESTED. Each camper's morning schedule will be individually-designed based on their Camp Course rankings and registration date. Campers who register early in the process are more likely to get into their first, second, and third choice Camp Course. Some Camp Courses may not run based on enrollment, interest, or session dates. If courses don't run, the Camp Sheridan staff will do their best to create Camp Course schedules that suits your campers' needs.

CAMP COURSES

As previously stated, leading up to the start of camp, all registered campers will be given the official Camp Course Catalog. Campers will be asked to rank the Camp Courses from MOST INTERESTED to LEAST INTERESTED. Some Camp Courses may not run based on enrollment, interest, or session dates. If courses don't run, the Camp Sheridan staff will do their best to create Camp Course schedules that suits your campers' needs.

Below are the Camp Courses as of February 1st. The official Camp Course Catalog may or may not have changes from what is listed below.

ART & DESIGN

Art & Design will engage, inspire, and challenge students in creating art using many different materials. Campers will be encouraged to collaborate, ask questions, and instill a strong sense of imagination. Camper-directed art projects will be introduced with the study of art history and design.

GROOVE AND GO DANCE

In Groove and Go Dance, campers will have the opportunity to learn various dance routines and practice various styles of dance. Campers will also learn the basics of choreography and practice choreographing some dances of their own!

I SCREAM FOR ICE CREAM!

Join us for a sweet adventure all about ice cream and summer treats! Discover the history of these yummy delicacies, indulge in taste testing various flavors, and get hands-on experience making ice cream from scratch. This will be one delicious learning opportunity!

SPLAT - LET'S GET CRAFTY, KIDS

If there is one thing that has united kids across the decades it's getting messy while making something fun! In SPLAT - Let's Get Crafty, Kids campers will do classic crafts that have stood the test of time and also some modern favorites. Tie dye, spin art, pottery painting, slime-making, who could ask for anything more?!

TIME TO STRATEGIZE - OUTDOOR GAMES

Your camper will enjoy a variety of outdoor cooperative team games such as Capture the Flag. Through these games, they will practice life skills like teamwork, cooperation, leadership, while also getting exercise, fresh air, and having fun!

VIAJA CONMIGO

Grab your passports, pack your bags, and don't forget your adventurous spirit, because it is time to catch a flight! Travel around the Spanish-speaking world without ever leaving the classroom. Campers will practice some Spanish-skills while also learning about the culture, traditions, landscapes, and unique qualities of various Spanish-speaking countries. Vamos!

CREATIVE SCIENCE

There is a reason that many people use the acronym STEAM these days over STEM. Because while science, technology, engineering, and mathematics are the way of the future, they are also an artform! In Creative Science, campers will be given the opportunities to explore different areas of science through a creative lens.

CHEERS AND CHOCOLATIERS

Are you the next Willy Wonka? Do you just love to cook and socialize in a relaxed setting with your friends? Then Cheers and Chocolatiers is for you! In this Camp Course, campers will learn about the creation of chocolate, make their own chocolatey creations, and enjoy their treats in a tea-party setting. Cheers!

I'M A POET AND I KNOW IT!

Roses are red, violets are blue, if you like writing, this course is for you! In this Camp Course, campers will learn about different types of poetry, develop their writing skills, and express themselves through creative writing and performance.

SCULPT YOUR IMAGINATION

Explore your imagination while you mold, shape, paint, and create your masterpiece. Sculpting develops fine motor skills, encourages patience and concentration, but is also incredibly fun! Campers will not only get to discover a new art form, but they will get to take home art that will last a lifetime.

SWEET SUMMER DELIGHT

Get ready to sprinkle some sweetness into your summer! Each day campers will get a hands-on baking experience. They will whisk, mix, and bake their way to cupcake perfection and enjoy their edible creations.

ON YOUR MARKS...

What are your favorite gym games? Imagine getting to play them all! Campers will be able to play all the classic gym games they know and love, any maybe even try a few new ones too. Games may be in teams, small groups, or every-person-for-themselves style. On your marks...
