To access the sound spelling videos where you can hear and see how the sound is said, you will need to choose “Log into Google “ after you click on the picture from the following slides. Once you log into Google, you will need to use your child’s account which is their school email address.

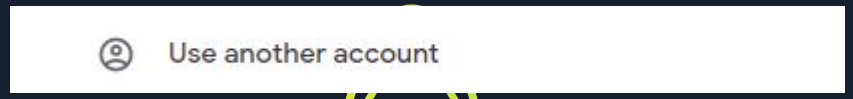

Para acceder a los videos de ortografía de sonido donde puede escuchar y ver cómo se dice el sonido, deberá elegir "Iniciar sesión en Google" después de hacer clic en la imagen de las siguientes diapositivas. Una vez que inicie sesión en Google, deberá usar la cuenta de su hijo, que es la dirección de correo electrónico de su escuela.

Check the listed accounts. If your child’s account is not listed, type your child’s school email address where it says, “Use another account”.

Verifique las cuentas enumeradas. Si la cuenta de su hijo no aparece en la lista, escriba la dirección de correo electrónico de la escuela de su hijo donde dice "Use another account".
