SPECIAL PUBLIC MEETING

The Board of Education of the City School District of the City of Cincinnati, Ohio, met pursuant to its calendar of meetings in the LaunchEd – Room 110 at the Cincinnati Public Schools Education Center, 2651 Burnet Avenue. Wednesday, December 14, 2022 at 4:00 p.m.

ROLL CALL

Present: Members Bolton, Craig, Jones, Moffett, Moroski, Wineberg, President Lindy (7)

Superintendent Iranetta Wright was present.

CINCINNATI PUBLIC SCHOOLS

**A RESOLUTION OPPOSING THE RESTRUCTURING OF THE
STATE BOARD OF EDUCATION AND THE OHIO DEPARTMENT OF EDUCATION**

WHEREAS, the Cincinnati City School District Board of Education affirms the notion that public education should be a non-partisan environment; and

WHEREAS, the Board values a public education system that is accountable to the citizens and communities it serves; and

WHEREAS, the Board believes that students do best when families work with trained educators and elected school board members to determine the scope and nature of education in their districts; and

WHEREAS, the Board recognizes that Senate Bill 178 strips the State Board of significant educational responsibilities; and

WHEREAS, the Board views Senate Bill 178 as dramatically changing the face of public education by shifting oversight of public education from the voters and the State Board of Education to the governor's office; and

WHEREAS, the Board believes that any bill that reshapes how public education operates in the state of Ohio, should be thoroughly researched, discussed, and debated by education stakeholders, voters, and taxpayers; and

WHEREAS, the Board is very concerned at the expedited manner in which this bill is being progressed through a lame-duck session of the General Assembly;

NOW THEREFORE BE IT RESOLVED, the Board urges lawmakers to stop SB178 as a bill, and/or as an amendment to any other legislation and recommends that Ohio lawmakers reintroduce the bill in the next General Assembly to allow for transparency and accountability through appropriate review and deliberation amongst all stakeholders.

CINCINNATI PUBLIC SCHOOLS**A RESOLUTION OPPOSING THE STATE BOARD OF EDUCATION'S
RESOLUTION TO OPPOSE PROPOSED CHANGES TO TITLE IX**

WHEREAS, the Cincinnati City School District Board of Education prohibits discrimination on the basis of sex, sexual orientation, gender, gender identity or expression, and other protected characteristics. *See* CPS Board Policy 2260 Nondiscrimination and Access to Equal Educational Opportunity; and

WHEREAS, Cincinnati Public Schools has consistently opposed discrimination against transgender students and staff – regardless of the shifting positions of the U.S. and Ohio Departments of Education; and

WHEREAS, the Ohio State Board of Education has a duty to protect all students from discrimination, bullying, harassment, and to enable all students to participate fully in the educational program and activities offered by public school districts; and

WHEREAS, the resolution recently-introduced in the State Board to oppose Title IX's application to transgender children is a dereliction of the State Board's duty to protect children and creates an unsafe learning environment for some of Ohio's most vulnerable children; and

WHEREAS, the resolution perpetuates falsehoods and stereotypes about gender identity and expression; and

WHEREAS, the resolution misrepresents current legal status of Title IX protections and responsibilities of school districts and could cause school districts who follow the State Board's guidance to jeopardize critical federal funding for their districts;

NOW THEREFORE BE IT RESOLVED, the Board urges the State Board of Education to reject the proposed resolution and to stop further efforts to discriminate against Ohio school children on the basis of sex, sexual orientation, gender, gender identity or expression, and other protected characteristics.

Fund Legend

Fund #	Fund Description	Purpose
001	General Fund	Set of accounts used to show all ordinary operations of a school system, generally all transaction which do not have to be accounted for in another fund.
003	Permanent Improvement	Fund provided to account for all transactions related to the acquiring, construction, or improving of such permanent improvements as are authorized by Chapter 5705, Ohio Revised Code.
006	Food Services	Fund used to record financial transactions related to food service operations.
007	Special Trust	The special trust fund may be classified as a special revenue, permanent, or a private purpose trust fund. A special revenue fund should be used if the original contributions can be expended for school district programs. A permanent fund should be used if the only the earnings on the original proceeds can be expended and not the principal. If the original contribution, whether required to be kept intact or not, and the earnings do not support the school district's programs, then the fund will be classified as a private purpose trust fund.
018	Public School Support	Fund provided to account for specific local revenue sources, other than taxes or expendable trust (i.e. profits from vending machines, sales of pictures, etc.), that are restricted to expenditures for specified purposes approved by board resolution. Such expenditures may include curricular and extra-curricular related purchase.
019	Other Grants	Fund used to account for the proceeds of specific revenue sources, except for State and Federal grants) that are legally restricted to expenditures for specified purposes.
021	Intra District Service Fund	A fund to account for functions that provide goods or services to other areas within the school district. Intra-district functions could include central warehousing and purchasing and central data processing.
024	Employee Benefits Self Insurance	A fund provided to account for monies received from other funds as payment for providing medical, hospitalization, life, dental, vision, or any other similar employee benefits. The Employee Benefits Self- Insurance Fund may make payments for services provided to employees, for reimbursements to employees who have paid providers, to third party administrators for claim payment or administration, for stop-loss coverage or for any other reinsurance or other similar purposes.
034	Classroom Facilities Maintenance	A fund used to account for the proceeds of a levy for the maintenance of facilities.
300	District Managed Student Activity	Fund provided to account for those student activity programs which have student participation in the activity but do not have student management of the programs. This fund would usually include athletic programs but could also include the band, cheerleaders, flag corps, and other similar types of activities.

467	Student Wellness and Success	Funds are to be used to assist CPS in supporting students academic achievement through mental health counseling, wraparound services, mentoring and after-school programs.
507	ESSER Cares Act Funding	To provide support to Local Education Agencies (LEAs) to address the impact that the novel Coronavirus Disease 2019 (COVID 19) has had and continues to have on elementary and secondary schools across the nation.
510	Coronavirus Relief Fund, Urban School District	To provide emergency support through grants to schools that have been most significantly impacted by coronavirus. These monies are to support the school to continue to provide educational services to the students.
516	IDEA Part B Special Education	Grants to assist states in providing an appropriate public education to all children with disabilities.
525	Project Head Start	To promote school readiness by enhancing the social and cognitive development of low income children, including children on federally recognized reservations and children of migratory farm workers, through the provision of comprehensive health, educational, nutritional, social and other services; and to involve parents in their children's learning and to help parents make progress toward their educational, literacy and employment goals.
536	Title I School Improvement Stimulus A	To help schools improve the teaching and learning of children failing, or most at risk of failing to meet challenging State academic achievement standards.
551	Title III – Limited English Proficiency	Funds to develop and carry out elementary and secondary school programs, including activities at the pre-school level, to meet the educational needs of children of limited English proficiency. These programs provide structured English language instruction, with respect to the years of study to which the program is applicable, and instruction in the child's native language to the extent necessary to allow a child to achieve competence in English. The instruction must incorporate the cultural heritage of these children and of other children in American society. The instruction must be, to the extent necessary, in all courses or subjects of study which will allow a child to meet grade promotion and graduation standards.
