

Third Grade's Supply List 2021-2022

Please be aware your child will only be able to use the school supplies you supply and that are kept in their pencil box and in their marked areas in the classroom. We ask that you stock the pencil box with items needed and keep the extras at home in a safe place. Do not permit your child to keep extra pencils and paper in their backpack because they tend to just play with them or lose them. Then when they need an item, they don't have it. THANKS!!!

*ALL students need a BACKPACK or school bag each day.
