American Education Week November 15-19

- We are celebrating **American Education Week**.
- It's a time to honor the individuals who are making a difference in our schools and ensuring that every child receives a quality education.

THE FUTURE IS BRIGHT

Science Fun for the Family

- Science Department will be adopting a new curriculum for 2022-2023.
- Approximately **1,000 CPS students, parents and staff** joined us at the Cincinnati Museum recently to peruse the textbooks we are considering and also participated in hands-on science experiments.
- Textbook recommendations will be sent to the Student Achievement Committee in December.

Sayler Park Unveils Innovative Learning Lab

- There's a big, bright beautiful room at Sayler Park designed to inspire a whole new world of STEM opportunities.
- In the Verizon Innovative Learning Lab students will:
 - Build robots
 - Design video games
 - Learn about circuit boards
- Thank you to our partners:
 - Verizon
 - Heart of America
 - Arizona State University

Senator Bill Blessing at Gamble Montessori High School

- On Nov. 12, State Senator Bill Blessing met with CPS board members, the district's leadership team, Gamble High School Principal Taylor Porter and staff.
- Senator Blessing toured the site to learn more about Gamble High School.
- He met with students and discussed legislative issues.
- Senator Blessing shared an innovative idea to expand the school's agriculture program with local farmers.
