Early IT Pipeline Program

Hughes seniors Grant Chapel and Zion Ivery, pictured with Principal Kathy Wright and IT Instructor Susan Grasso. (Above). Clark senior Avery Ingram, pictured with IT instructor Jasmine Parham (Right).

The UC Early IT partnership has yielded three “early arrivals” from the class of 2020!

The first official cohort for this program will be scheduled to matriculate in 2021.

Being in the Young Scholars Program, I barely thought about the scholarship money I would receive from them.

I always thought about how I felt a strong sense of belonging. **From the summer before I started my freshman year in high school to this current day as a senior, I've always felt like I was a part of a huge, loving, caring, and supportive family.**"

- Takko Ndiaye, OSU Young Scholar

"This scholarship means everything to me. I knew that receiving this scholarship would mean that all the hard work and struggling I put in was for a good reason. **It feels amazing to know that someone out there believes in you.**

I feel like the Gen-1 Program will be a great home for me throughout this journey. "

-Gloria Stanford, GEN-1 Student

"Without the scholarships I have received I most likely wouldn't be able to further my education, do it means a lot especially **since I'll be the first in my family to graduate.**"

- Cecelia Carter, GEN-1 Student

NEW: Chatfield College Achievement Grant

First private college to commit to a last-dollar scholarship program for Cincinnati Public School students, the award covers full cost of tuition/fees and provides a book allowance

Eligibility requirements include:

- Pell-Eligible per FAFSA
- Graduated from CPS school in 2018 or after
- Attended CPS school for at least one academic year
- Had a 2.2 GPA or higher in high school

Joins the ranks of CPS-specific last dollar programs at University of Cincinnati, Cincinnati State, and Gateway Community & Technical College
