Electronic Devices, Cell Phone and Other Personal Items
2017-2018

Cell Phone Policy: Per Cincinnati Public Schools' Board policy, students may bring cell phones to school. All students are asked to give their cell phones to their classroom's teacher each morning. Cell phones will be placed in a container and locked up in teachers' closets. They will be returned to students at the end of the day. If a staff member sees a student with a cell phone out in school, on school property, at after school activities and at school-related functions, occurring during school hours, the cell phone will be confiscated and held for retrieval by the parent. If this offense happens a second time, the cell phone will be returned to the parent and the cell phone must be turned in daily to the main office. Compensation for lost or stolen cell phones is not the responsibility of the school or its staff members.

Electronic Devices and Other Personal Items:

Students should not bring personal items such as toys (footballs/basketballs included), gum, make up (including lip gloss), perfume, body lotion, games, pagers, audio/visual equipment (fidgets, tablets, video games, MP3 players, iPads/iPods, video cameras etc.) and expensive jewelry to school. These items are attractive to other children and can distract students from their work. If a staff member sees a student with such items at school, they will be confiscated and held for retrieval by the parent. Purses are only allowed for personal, female related issues. They must be kept in backpacks until needed.
