FOR BOARD APPROVAL

Develop Recommendations for Responsibilities and Charter for the Board's new Committee: Strategic Planning and Engagement Committee.

The Committee continued its discussion on the charter and the number of members required to sit on the Committee.

The Charter includes the Purpose, Authority, Responsibilities, Composition/Voting, Administrative Liaison and Meetings.

ACTION: At the Board's Regular Business meeting on April 23, 2018, the Committee will recommend to the full Board approval of the Charter for the Strategic Planning and Engagement Committee, including that three Board members to be on the Committee.

Draft Committee Work Plan

The Committee reviewed a draft of the workplan and will recommend approval of the document at the April 23, 2018 Regular Business meeting.

FOR BOARD INFORMATION

ACTION: The Committee reviewed recommended revisions to the following policies and will recommend them for approval at the Board's May 7, 2018 Regular Business meeting.

- Policy 5136 – Cellular Telephones and Electronic Communication Devices Possessed by Students (Non-District Owned)
- Policy 7500 – Community Learning Centers
- Policy 7550.01 – Use of Electronic Communication Devices
- Policy 9140 – Parent Family Engagement
- Policy 9210 – Citizen Organizations (Resend)

The Committee reviewed and will continue its analysis of the following policies at the May 17, 2018 Policy Committee meeting.

- Policy 9142 – Local School Decision Making Committee
- Policy 9212 – Non School Organizations (PTOs/School Foundations/Boosters)

Focus Group Update

Ms. Trimble-Oliver updated the Committee about the focus group's task of providing feedback on a policy for students' use of cell phones. The group provided feedback about the policy limiting phones for social or distraction purposes and encouraging supervised use of phones for educational uses.

Legalities for Publishing Written Procedures

Mr. Hoying informed the group that there are no requirements or legalities in having the procedures uploaded to the District's website.

ACTION: The Committee will submit the item as a topic to be discussed at the Board's next Regular Business meeting.

Neighborhood Analysis Mapping

The Committee reviewed maps for Mt. Airy, Pleasant Hill Academy, Winton Hills Academy, and Woodford. The maps highlighted populations and boundaries of where students live compared to the schools that they are attending.

The maps revealed that school boundaries did not align with neighborhood boundaries, resulting in transportation concerns and inequities.

District Business Advisory Council

Ashley Addo, Assistant General Counsel, informed the Committee about the Business Education Connectivity Council (BECC) and provided the group with a copy of the 2018 roster of members. The Council has 28 members that are from various industries within the city. Superintendent Laura Mitchell is on the Council as well as five CPS principals.

Ms. Addo advised that this Council would be a good group to serve the function of the District's Business Advisory Council.

The BECC is scheduled to meet on May 11, 2018 at Mayerson Academy. The Administration will reach out to the Council for their willingness to serve the role as CPS' Business Advisory Council.

The Board's District Business Advisory Council must be in place by June 30, 2018 and a plan submitted to the Ohio Department of Education by September 30, 2018.

ACTION: The Committee will recommend to the Board that the District Business Advisory Council be approved at the Board's 2019 Organizational meeting. Board members are permitted to sit on the Council.

March 12, 2018 Board Assignment: Review Gun Violence Policies/Use of Weapons/Also, how laid out in Code of Conduct

The Committee advised Mr. Hoying to review all policies relating to weapons at the same time. They also advised him to create one policy for weapons, as well as one focusing on other policies to reduce the amount of Board policies as applicable.

ACTION: The Committee will continue discussion of the compiled policies at the May 17, 2018 Policy Committee meeting. Mr. Hoying will also look at other policies that relate for discussion of those at the same time and put policies in their appropriate categories. The goal is to reduce the redundancy of policies.

A copy of the workplan is attached to at the end of these Policy Committee minutes.

Other Business

Graduation Requirements

Ms. Amat reported that due to the new state pathways, students who did not pass the test will need to retake the test, not to pass it, but to meet the new pathways criteria. Retaking the rest will permit students from walking for graduation.

The Administration will provide the Board with information regarding those not graduating to help determine how to address the issue.

The meeting adjourned at 1:26 PM.

RE: Proposed Policy Committee Work Plan

We recommend starting with policies that have not been reviewed since 2007 – when the Board adopted a number of policies recommended by North East Ohio Learning Associates (NEOLA). We recommend working according to the following schedule:

A. 1000 Series – Administration

Given the recent appointment of the Superintendent, the Board should ensure that the “Administration” series is in line with the Superintendent’s vision and up-to-date with current Ohio Revised Code.

B. 2000 Series – Programs

The majority of policies in the “Programs” series also has not been updated since the implementation of NEOLA policies in 2007.

C. 9000 Series – Community Engagement

Given the importance of Community Engagement to the Board, the 9000 series should be reviewed – prioritizing policies that have not been reviewed since before 2010.

D. 3000 / 4000 Series – Professional and Classified Staff

HR Policies in the District should be updated to align with current collective bargaining provisions and state and federal law.

E. 7000 / 8000 Series – Property and Operations

The Facilities department should make recommendations on changes to policies relating to District property.

F. 5000 Series – Students

Policies relating to preschool, magnet, and high school enrollment have been recently reviewed and updated.

G. 6000 Series – Finances

The Finance Committee is generally responsible for keeping Financial Policies up-to-date.
