

August 1st, 2023

Dear Sands Montessori Families,

Welcome to Community 1008! My name is Abbie Fox and I will be your child's teacher during the 2023-2024 school year. This will be the start of my eighth year at Sands Montessori! I am so thrilled that you are a part of the Sands community and feel privileged to be able to work with you and your child.

I graduated from Xavier University with a Bachelor's of Science in Montessori Education and a minor in Peace and Justice Studies. Not only do I have my American Montessori credentials for 3-6 year olds, but also credentials to teach kindergarten through third grade in a traditional setting. I am trained in the Orton Gillingham method which addresses five essential components of reading- phonemic awareness, phonics, vocabulary, fluency and comprehension. I am currently working towards earning my Master's Degree in Educational Psychology.

I spent most of my childhood in Cleveland and still travel there often to visit family. My family is extremely important to me and I love spending time with them. I am married to my best friend, Tyler. He is a firefighter/paramedic and a fantastic cook. Outside of teaching, I like to spend my personal time outside, traveling and relaxing at home with my dog, Oakley!

This school year, I will be conducting a lot of communication through Class Dojo and email. When you get this letter, please email me with your child's full and preferred name, age and birthday.

I hope you had a fantastic summer making memories with your family and I cannot wait to collaborate with you to best support your child's journey here at Sands Montessori.

Sincerely,  
Ms. Abbie
