3. One roll of clear scotch tape.

### Things that would be nice to have:

1. Fronts of any type of greeting cards...we use them for stringing/sewing exercises.
2. Gift cards to Teachers Pay Teachers.
3. Additional thin black Expo dry erase markers.
4. Additional small plates for food prep, and small cups for drinking water.

I will have an item drop off day on August 11, 2023 so items can be dropped off before school starts., which would be preferred. I will be at school from 9-3, or you can leave them outside the side door nearest the preschool playground with my name on them. Thank you!!!
