

Opening hearts and minds to all possibilities

*A Cincinnati Public School
Premier Magnet Program*

Dear Parents and Guardians of Dater Montessori Students:

We are very proud of our Dater Montessori student handbook. Our student handbook contains valuable information about our procedures and policies. We would ask that your family take the time to carefully read and discuss each section. Please pay particular attention to the sections regarding rules, expectations and consequences for behavior. Please discuss the information on these pages with your child. Many of the procedural questions you have may be answered once you refer to the handbook.

It is our belief that all students at Dater Montessori can exhibit respectful, appropriate behavior in order to maximize the achievement of all students. Our school's peaceful environment will be further achieved by each classroom teacher having a student management plan consisting of shared ground rules for the classroom. We appreciate your support and assistance.

In an effort to become more environmentally friendly, you will find the handbook on the Dater Montessori website: **datermontessori.cps-k12.org**. However if you do not have access to the internet, we would be happy to supply you with a paper copy.

As always, we appreciate your continued support of the Montessori program at Dater. If you have any questions regarding the handbook or any other school issue, please feel free to contact us at 363-0900. Please return the bottom portion of this letter to your child's teacher as evidence that you read the handbook.

Respectfully,

Tony Greco, Principal

I have read and discussed the Parent/Student handbook with my child (ren). I will support and model the practices described so that all students will benefit from a safe, positive learning environment.

August, 2023

Dear CPS Parent or Guardian:

All of our K-12 students are charged an annual student fee. The fee is used to pay part of the cost of essential classroom materials. This is a one-time charge for the entire 2023-2024 school year. The fee schedule for the school year reflects no increase over the prior school year.

Please complete the student fee form on the back of this letter and return it to the school office where your child attends along with any applicable payment by October 18, 2023. You must fill out separate form for each child.

Payments may be made by credit/debit card, cash, money order or certified check (no personal checks) payable to Cincinnati Public School District at the school office where the child(ren) attend(s). If paying by cash, please remember to pay with the exact amount as our offices do not have change. Fees may also be paid online via Visa, MasterCard, or a valid checking account by visiting www.PayForIt.net. Adjustments cannot be made online

As in past years, the fees are based on family income and the number of children you have in the Cincinnati Public School District.

- If any member of your household receives Supplemental Nutrition Assistance Program (SNAP) or Ohio Works First (OWF) benefits, you must complete **Section 2** of the form to be eligible for a waiver of student fees for the current year.
- If you qualify for free or reduced lunch based on household income, your student(s) may be eligible for a waiver of student fees for the current year. You must complete **Section 3** of the form and indicate your household size and income range.

If you are entitled to a reduced fee, it can only be reduced when the payment is submitted with the form. **Any 20232023 or prior school year fees will not be adjusted once the 2023-2024 school year starts on August 17, 2023.**

If you have questions or concerns, please call your student's school office.

Sincerely,

Jennifer M. Wagner
Treasurer/CFO

- Communication
- Vision
- Hearing
- Motor skills
- Social emotional / behavioral functioning
- Self-help skills
- Cognitive development

For school-age children, a disability means a child has been identified as having one or more of the following conditions:

- Autism
- Deaf-blindness
- Hearing impairment (including deafness)
- Multiple disabilities
- Orthopedic impairment
- Other health impairment
- Specific learning disability
- Speech or language impairment
- Traumatic brain injury
- Visual impairment (including blindness)
- Intellectual disabilities
- Emotional disturbance

Your public school offers:

- Evaluation for all children with suspected disabilities, birth through age 21
- Education for all children with disabilities ages 3 through 21 years

When school staff is notified about a child who is suspected of having a disability:

- Arrangements are made to review all information and documentation pertaining to the suspected disability.

If you know a child who is suspected of having a disability and is not being served, tell staff at the child's school or contact CPS' Student Services Department, (513) 363-0298.

Districtwide Discipline Policy

Positive Behavior Intervention Supports

- There is a districtwide Code of Conduct for students.
- The Code of Conduct is updated annually and available for review on CPS' website: www.cps-k12.org/codeofconduct

Cincinnati Public Schools strives to create a Positive School Culture in all our schools, aimed at creating a safe and orderly environment that keeps students in school and engaged in learning.

Part of this Positive School Culture is a districtwide **Code of Conduct** that provides clear and explicit expectations for student behavior, specifies guidelines for teaching social skills to students, describes methods to help correct behavior and outlines the consequences for misbehavior.

In addition to the Code of Conduct, each school is required to develop its own Positive Behavior Intervention Supports Plan through its Positive Behavior Intervention Supports Committee. This plan must include a range of options that teach behavior expectations to students. Schools must communicate this plan to parents and students. Parents should know and understand the Positive Behavior Intervention Supports Plan at their children's schools.

Searches of Student and Property

Students will be subject to searches by metal detectors and/or by hand on a random basis, or with reasonable suspicion, by district administrators or security personnel.

The district may search: A student's outer clothing, pockets, book bags or other property; a student's locker; a vehicle driven to school by a student and parked on school property.

Students have no expectation of privacy in cell phones or other electronic devices brought to school. If there is reasonable suspicion that a search will reveal a violation of school rules, cell phones and other electronic devices may be confiscated and searched, including searching calls, e-mails, contacts, texts, and other communications or Internet access.

Students will be treated with respect during a search. Any student failing to cooperate during a search will be subject to discipline under the CPS Code of Conduct.

The Cincinnati Public School District is not responsible for damaged, lost or stolen personal items.

The Cincinnati Public School District provides equal educational, vocational, and employment opportunities for all people without regard to race, gender, ethnicity, color, age, disability, religion, national origin, creed, sexual orientation, or affiliation with a union or professional organization, and provides equal access to the Boy Scouts and other designated groups. The district is in compliance with Title VI, Title IX and Section 504 of the Vocational Rehabilitation Act. For additional information, contact the Title IX Coordinator or Section 504 Student Coordinator: (513) 363-0000 TDD: (513) 363-0124

PREPARING STUDENTS
FOR LIFE

Through Academic Achievement · Personal Well-Being · Career Readiness

Dear CPS Families, Parents & Guardians,

Providing our CPS students and staff with a safe educational environment remains one of our top priorities. As a part of an April 2022 School Board resolution, we are encouraging our families to implement secure firearm storage at home to ensure children don't have access and/or bring a gun to school. A firearm stored safely at home is the first step. We have partnered with the "Be Smart For Kids" program to provide you with key information, statistics, and the ability to get a gun lock.

Secure your home with a secure storage device
Model responsible behavior and gun laws
Ask your child about guns in their life
Recognize the signs of gun violence
Tell your family to be SMART

Studies of school-based gun violence point to the same significant point for intervention: addressing students' unauthorized access to guns in the home. One recent study of targeted school violence incidents from 2008 to 2017 found that 76% of the firearms were obtained from the home of a parent or close relative.

What's more, unsecured guns in the home pose a risk to students *outside* school. Firearms are now the leading cause of death among children in the U.S. Every year, nearly 350 children under the age of 18 unintentionally shoot themselves or someone else. Distressingly, almost 40% of child gun deaths are suicides—nearly 700 child gun suicides annually (pre-pandemic). In most incidents, the gun used was one that belonged to someone in the student's home.

**4.6 million
American children
live in homes with
guns that are both
loaded and
unlocked.**

One study found that 87% of kids know where their parents' guns are kept, and 60% have handled them. Research shows that secure firearm storage practices are associated with up to an 85% reduction in the risk of self-inflicted and unintentional firearm injuries among children and teens. Storing firearms securely protects any child in your home as well as students throughout the school district and community.

As an additional measure to ensure our parents are informed and aware about secure firearm storage, our school staff will share this information while registering their children for the 2023-2024 school year and confirm this within our student information system.

You can also learn more about secure firearm storage, talking to your children about guns, and facts and resources on child firearm suicide at **BeSMARTforKids.org**. Please take the necessary steps in protecting your family, community, and schools – 'Be Smart' and secure your firearms.

Yours in Service,

Iranetta Wright
Superintendent

- Clifton Area Neighborhood School
- Fairview-Clifton German Language School
- Hyde Park School
- Kilgour School
- Sands Montessori School

Students will digitally sign a grade appropriate version of this Acceptable Use Policy/Mobile Device Agreement, and the Internet/Network Safety Agreement at school through a link provided in Schoology.

Statement of Purpose: The purpose of providing technology devices and Internet and network access in schools and homes is to support the District's educational objectives.

Terms of Agreement: To be allowed access to school computer systems, computer networks, software applications, including Google Applications for Education, and the Internet, students must read a grade appropriate version of this agreement and sign the consent form. **Students will digitally sign the consent form at school.** This will be done at school within the first few weeks of school starting.

Parents, please read this document so that you are familiar with CPS' policy.

Rules for Internet/Network Usage: The District is providing access to its school computer systems, computer networks, District-adopted tools and devices, software applications, including Google Applications for Education, and the Internet for **educational purposes only**, including accessing and sharing information with teachers and other students, storing files, conducting research, and collaborating on projects with others. If you have any doubt about whether a contemplated activity is educational, consult with the principal or teacher assigned to assist you. Use of the District's network and Internet is a privilege.

A user who violates this agreement shall, at a minimum, have access to the network and Internet terminated and is subject to additional disciplinary action based on the severity of the violation. All users are bound by the Cincinnati Public Schools (CPS) Code of Conduct and the following terms and conditions:

Student Safety/Education:

- **Cyber-bullying:** Cyber-bullying means any intentional, electronically transmitted (including the use of text messaging, instant messaging, or the posting of text or images) verbal or graphic act that a student or group of students repeatedly exhibit toward another student(s) and the behavior causes mental harm (including humiliation and embarrassment) and is sufficiently severe, persistent or pervasive.
Any cyber-bullying, harassment or intimidation is strictly prohibited. If a student is found to have engaged in cyber-bullying, disciplinary action will be recommended. If a student thinks that he or she is the victim of cyber-bullying, the situation should be immediately reported to an adult staff member, such as a teacher or principal. Additionally, students are encouraged to notify school staff if they suspect another student is being cyber-bullied.
- **Sexting:** Sexting is the sending of sexually explicit images through any electronic media, including but not limited to text messaging, instant messaging, or email.
Sexting is strictly prohibited and is considered a Category III offense. Sexting should be immediately reported to an adult staff member, such as a teacher or principal.

Depictions of Prohibited Conduct:

- Never make, reproduce or distribute videos, images, sound recording, or other mediums that show behavior prohibited by the Code of Conduct on school property or at school events, including using school-owned or personal electronic devices.
- Never post depictions of prohibited behavior on social networking sites such as Facebook, Google Plus, YouTube, Instagram, Snapchat or any other similar Websites.
- Any depictions of prohibited behavior must be immediately turned over to the principal.

Social Networks/Chat Rooms:

- Never post personal information, such as full name, Social Security number, address, telephone number, bank or credit card numbers, etc.

- Assume that everything you post is on the Internet permanently.
- Do not agree to meet in person someone you know only from a social networking site or chat room.

Basic Internet/Network Etiquette & Safety Rules:

- The CPS Code of Conduct and District policies on "Plagiarism/Cheating," "Bullying and Other Forms of Aggressive Behavior," and "Bullying – Harassment – Intimidation — Sexting" apply to Internet/network conduct.
- Gaggle will monitor and filter all student email and Google Apps content. Inappropriate or flagged messages will be blocked and sent to an administrator.
- Be polite. Use appropriate language and graphics.
- Do not use network or Internet access to make, distribute or redistribute jokes, stories or other material based on slurs or stereotypes relating to race, gender, ethnicity, nationality, religion or sexual orientation.
- Teachers may allow individual students to use email, electronic chat rooms, instant messaging, social networking sites and other forms of direct electronic communications, including Gmail and Google Hangouts, for **educational purposes only** and with proper supervision.
- **Student Photos/Student Work** - Publishing student pictures and work on websites promotes learning, collaboration and provides an opportunity to share the achievements of students. Images and products of K-12 students may be included on the website only without identifying captions or names. **Parents/guardians must indicate their written consent to publish their child's photo or school work on any school-related website before the item is published to the web.**
- **Privacy** - Network and Internet access is provided as a tool for your education. The District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the District, and no user shall have any expectation of privacy regarding such materials.

Please note that under no circumstances will K-12 students' photos or work be identified with first and last names on District, school or teacher websites.

- Do not sell or buy anything over the Internet.
- Do not transmit or access obscene or pornographic material; notify your teacher if you receive such material.
- Do not subscribe to list services, bulletin boards, or on-line services shall be reviewed by a District-administrator and must be approved by the teacher prior to any such usage.
- Do not access the network or Internet by any means or device other than those approved by the teacher.
- Do not post inappropriate speech on any blogs, podcasts, Google Applications, or other web 2.0 tools. Such tools are considered an extension of your classroom, and any speech that is considered inappropriate in the classroom is also inappropriate in all uses of these Web tools.

This includes, but is not limited to, profanity and racist, sexist or other discriminatory remarks. Comments made on blogs will be monitored and, if they are inappropriate, deleted. Any student violating this rule will be subject to disciplinary action.

- Do not use the network or Internet for any illegal activity, including (a) tampering with computer hardware, software or data, (b) unauthorized entry into computers and files (hacking/cracking), (c) knowledgeable vandalism or destruction of equipment, and (d) deletion of computer files. Such activity is considered a crime under both state and federal laws and will be disciplined accordingly.
- Do not use the network or Internet to send messages relating to or in any way supporting illegal activities such as the sale or use of drugs or alcohol; support of criminal or gang activity; threats, intimidation or harassment of any other person.
- Return the device in the condition in which you received it (keyboard/screen cleaned off; no food particles), as another student will be assigned this device.

All of the above rules expressly apply to, but are not limited to, the use of Google Applications for Education, which include, but are not limited to, Gmail, Google Drive, Google Calendar, Google Chat, Google Docs and Google Forms.

Network/System Security/Content Filtering:

- Do not attempt to log on as a system administrator. This action will result in cancellation of privileges.
- Do not use anonymous proxies to circumvent District-implemented content filtering.
- Do not knowingly or inadvertently load or create a computer virus or load any software that destroys files and programs, confuses users, or disrupts the performance of the system.
- Do not install third-party software without the consent of your assigned administrator.
- **Do not share your passwords or use another person's accounts or passwords.**
- Technology protection measures may be disabled by an authorized person. This will be done only by Information Technology Management (ITM) during adult computer usage to enable internet access for research or other lawful purposes.
- Do not participate in hacking/cracking activities or any form of unauthorized access to other computers, networks, or information systems.

If an Internet/network security issue is identified, the user must notify an adult, such as a teacher, who will in turn notify a system administrator. The problem should not be demonstrated to other users.

Teacher Responsibilities:

- Will provide developmentally appropriate guidance to students as they make use of telecommunications and electronic information resources to conduct research and other studies related to the District's curriculum.
- All students will be informed of their rights and responsibilities as users of the district's network prior to gaining access to that network, either as an individual user or as a member of a class or group.
- Use of networked resources will be in support of educational goals.
- Treat student infractions of this AUP according to the CPS Code of Conduct.
- Provide alternate activities for students who do not have network and Internet privileges.

Principal Responsibilities:

- Include this AUP in your school's Student Handbook.

- Restrict unauthorized disclosure, use and dissemination of personal information regarding minors.
- Post this AUP on the District's website.

Student/Parent Financial Liability for Damaged or Lost/Stolen Devices: CPS students are expected to use all school resources in a considerate and appropriate manner at all times. Per CPS Board Policy, damage caused by a student's failure to handle any mobile device in the appropriate manner may result in financial liability.

Students are required to maintain all CPS-owned mobile devices in a secure and safe manner at all times. Parent/guardian(s) acknowledge and understand that any damage that occurs to a mobile device due to a student's failure to reasonably and adequately secure and maintain the device may result in financial accountability and/or disciplinary action in accordance with the Cincinnati Public Schools Code of Conduct. Failure to reasonably and adequately secure and maintain a mobile device includes, but is not limited to, the following:

- **Horseplay:** Damage to the mobile device as a result of student horseplay may result in financial liability. Horseplay includes rough, boisterous, or rowdy behavior. For example, knocking over a mobile device while roughhousing.
- **Spills (Food or Drink):** Students should refrain from eating and/or drinking near the mobile device. Damage caused by spilling any liquid, food or other substance on the mobile device may result in financial liability.
- **Screen Care:** Financial liability may result from damage occurring due to the student's failure to take special care to avoid damage to the mobile device's screen and/or monitor. Students should avoid the following:
 - Leaning on top of the mobile device.
 - Placing anything near the mobile device that could put pressure on the screen/monitor.
 - Placing anything in a backpack that may press against the screen/monitor.
 - Poking and/or closing the screen/monitor on an object. For example, pens, pencils, calculators, paper clips, etc.

- **Theft or Loss:** Under no circumstances should a CPS-owned and issued mobile device be stored or left in an unsupervised or otherwise insecure area. For example, in the cafeteria, unlocked classrooms, library, locker rooms, hallways, bathrooms, etc. Theft or loss of a mobile device that results from **the student's failure to take reasonable security precautions may result in financial liability.**

In the event that damage occurs to a mobile device for any of the aforementioned reasons, or for any other reason that may constitute a student's failure to reasonably and adequately maintain and secure a mobile device, CPS' Information Technology Management (ITM), Device Management, will arrange financial recovery on behalf of CPS. ITM will determine the cost of repair or replacement of the mobile device, and an invoice detailing this information will be prepared and presented to the parent/guardian.

For Technical Support please contact the Family Technical Support Center: 513-363-0688
Cincinnati Public Schools reserves the right to change this policy at any time.

RE: AHERA Annual Notification

This memo is to notify all parents, staff, school organizations and employee representative groups that the Cincinnati Public School District complies with the United States Environmental Protection Agency's (U.S. EPA) Asbestos Hazard Emergency Response Act (AHERA) regulations.

These regulations require every private, parochial and public school district to inspect all school buildings for asbestos containing material, assess the condition of the asbestos material and draw up a plan on how the district is to manage the asbestos containing material.

The Cincinnati Public School District has had all buildings inspected for asbestos and has compiled the results in the Asbestos Hazard Emergency Response Act (AHERA) – *Asbestos Management Plan*. The plan for each school is located in the main school office and is available for review.

The Asbestos Management Plan should be checked when planning all building renovations so as to prevent the disturbance of asbestos. All planned repairs and renovations of school district buildings, which involve the disturbance of known asbestos containing material, are completed by certified persons who are trained to work with asbestos material. These projects are completed in a safe manner by following procedures detailed in the Asbestos Management Plan.

The school district continues to monitor the condition of all asbestos containing building material by having district employees check the condition every six months. In addition, the district has trained inspectors from outside the district conduct a major re-inspection of all buildings every three years. The results of these required inspections are available in the Asbestos Management Plan.

If your school has had asbestos abatement projects, you will find a brief description of the projects in the Asbestos Management Plan.

Any questions or concerns about the implementation of the AHERA regulations should be given to the building administrator who will contact the Environmental Health and Safety Manager, if necessary, to obtain clarification.

Sincerely,

Steven Knapik

Environmental Health and Safety Manager

Dear Parent or Guardian,

Please complete the necessary health forms and return to your child's school. These forms may be obtained from your school or online: <https://www.cps-k12.org/forms>

The **Emergency Medical Authorization** form is needed in case of an emergency at school. It gives the school permission to get emergency treatment for children who become ill or injured while at school, when parents or guardians cannot be reached.

The **Health History Update** form gives school personnel pertinent health information regarding your child and is **required** by Ohio law. It must be updated every school year. Additional forms may be needed for children with chronic conditions (such as asthma, diabetes seizure disorder, sickle cell disease) These may be obtained through the school health office at your child's school.

Complete the **CPS Administration of Medication** form only if your child needs **prescription medication** during the school day. This must be completed and signed by both the licensed medical provider and parent before medication can be given at school.

The **Authorization for Administration of Over-the-Counter Medications at School** form gives the nurse, school health assistant or principal designee permission to give the medications listed on the Over-the-Counter Medication form to your child for comfort measures. This must be completed and signed by **both** the licensed medical provider and parent before medication can be given at school.

The **Consent Form for 2023-2024 Seasonal Influenza Vaccine** is needed for your child to receive the flu vaccine at school this year. It gives the Cincinnati Health Department permission to administer the vaccine. The flu consent will be sent out in September 2023 and the flu shot will be given between September and December 2023.

The **School Based Health Center Enrollment Packet** may also be included. If you would like your child to receive the services listed, complete and return the packet to the school health office. If your student is already consented to the School Based Health Center, please complete page five of the consent (Patient Rights and Responsibilities, Sharing of Information, Payment for Services). This must be completed annually.

Cincinnati Health Department Registered Nurses work in collaboration with the pediatric providers at the Cincinnati Health Department and Cincinnati Children's Hospital Medical Center to assure the best coordinated care for your student. The nurses can access electronic health records from Cincinnati Children's Hospital Medical Center and the Cincinnati Health Department to verify orders, emergency plans, confirm follow-up appointments and to reference discharge plans.

HOW TO OBTAIN AN OHIO ABSENTEE BALLOT

You are entitled to vote by absentee ballot in Ohio without providing a reason. Absentee ballot applications may be obtained from your county board of elections or from the Secretary of State at: www.OhioSecretaryofState.gov or by calling (877) 767-6446.

OHIO VOTER IDENTIFICATION REQUIREMENTS

Voters must bring identification to the polls in order to verify identity. Identification may include current and valid photo identification, a military identification, or a copy of a current (within the last 12 months) utility bill, bank statement, government check, paycheck, or other government document (other than a notice of voter registration mailed by a board of elections) that shows the voter's name and current address. Voters who do not provide one of these documents will still be able to vote by providing the last four digits of the voter's Social Security number and by casting a provisional ballot pursuant to R.C. 3505.181. For more information on voter identification requirements, please consult the Secretary of State's website at: www.OhioSecretaryofState.gov or call (877) 767-6446.

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

[BTFE.COM/PRODUCTS](https://www.btfec.com/products)

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
