Experience the right way to fundraise

Gift card fundraising is the best way to raise money. Buy gift cards from your favorite brands to earn on your daily purchases. It's never been easier to create opportunities for what matters most to you. No extra money spent. No extra time wasted.

How it works

You buy a gift card

You get the full value.

The brand gives back

No extra money comes out of your pocket.

Your organization earns

Impacting what matters most to you.

Shop 750+ popular brands

Getting your morning coffee. Doing DIY projects around the house. Ordering takeout. Conveniently raise money by doing everyday things.

amazon

STARBUCKS

"It's super convenient. All I need to go shopping is my phone—I don't even need credit cards or my purse. I'm going to pay for these things anyway, I love being able to use gift cards so we get something in return."

Jen H., earns for hockey

HB123 Prevention Education Opt-Out Form

Sign & Return ONLY if opting out

Ohio's 133rd General Assembly enacted [House Bill 123](#), the "Safety and Violence Education Students (SAVE Students) Act," regarding school security and youth suicide awareness education and training. The state legislation calls for a comprehensive approach to school safety involving the Ohio departments of Education, Public Safety, Mental Health and Addiction Services and Attorney General's Office. Emotional and physical safety requirements include integrating evidence-based suicide awareness and violence prevention and social inclusion into health curriculum.

[Ohio law](#) provides for changes to the prescribed curriculum specific to health education beginning July 1, 2023. Starting in the 2023-2024 school year, in every grade level from grades 6 through 12 and continuing each subsequent year, schools must include at least one hour (or one standard class period) per school year of evidence-based instruction in each of the following topics:

1. Suicide awareness and prevention;
2. Safety training and violence prevention; and
3. Social inclusion.

Because our Montessori classrooms include grades 4, 5, and 6 together, we are offering these lessons to our 4th and 5th grade students as well as our 6th grade students during their SEL Wellness special class three times throughout the year. The first lesson will be about social inclusion. The second lesson will be about safety and violence prevention. The third lesson will be about suicide awareness and prevention. All topics are presented with age appropriate materials/discussion.

Upon written request of the student's parent or guardian, a student shall be excused from taking instruction in the areas of suicide awareness and prevention, safety training and violence prevention, and social isolation.

____ **OPT OUT:** As parent/legal guardian of (*student name*) _____, I request to have my child be excused from taking instruction regarding HB123 prevention education.

Student Grade: _____

Parent/Legal Guardian Name (Print): _____

Parent/Legal Guardian Signature: _____

Email: _____

Phone: _____

Address: _____

If opted out, a student's "opt out" status remains active through the 2023-2024 school year.
