Attendance Info

Information regarding attendance procedures, excused absences,
and truancy laws and regulations
Ohio House Bill 410 (HB410)

What is it?

The Ohio General Assembly passed House Bill (HB) 410 in December 2016. The purpose of this bill is to encourage and support a preventative approach to excess absences and truancy. Although CPS had prohibited the practice for some time, other Ohio schools and districts are no longer allowed to suspend or expel students for excessive absences. HB 410 categorizes absences into two groups: excessive absences and habitual truancy.

Who do I contact with questions about my student's attendance or letters I received?

Christine Miller, MSW, LISW-S
School Social Worker
513-363-0982
milchri@cps-k12.org

Bus Issues? Contact the CPS
Transportation Hotline: 513-363-7433

Excessively Absent:

This applies to students who are absent with or without excuse for 38 or more hours in a month or 65 hours or more in a school year. A letter must be sent to the family.

Habitually Truant:

This applies to students who are absent for 30 consecutive hours unexcused, 42 hours in a month unexcused, or 72 hours in a school year unexcused. An attendance intervention plan (AIP) must be developed.

Chronic Absenteeism:

Chronic absence is defined in Ohio as a student missing 10% or more of the school year for any reason – excused, medically excused, unexcused, and suspensions. Chronic absenteeism is part of Ohio's report card for each school/ district.

Who do I contact to report my student's absence?

Dater Montessori Attendance Line:
513-363-0923

Please contact the office by 9:15am to report an absence.

Unexcused Absences

An unexcused absence is when a student is absent from school for a reason other than those allowed to be excused by CPS' Board of Education Policy and the front office, teacher, or school social worker are unaware of the reason for the absence.

Absences for vacation/travel are not excused and the missed time will be counted toward truancy hours. Many families who take vacations during the school year often surpass the threshold for habitual truancy due to missing 30 consecutive hours.

Excused Absences (Per CPS Board Policy 5200)

*****Any absence hours due to a doctor/dentist/therapy appointment will be excluded from excessive absence thresholds IF a medical provider's note is given to the front office.*****

- A. Personal illness or illness in the family necessitating the presence of the child. A pattern of absences in excess of five (5) consecutive days shall require a written physician's statement verifying the illness and the number of days the child was required to be absent.
- B. Quarantine of the home. Such absence is limited to the length of the quarantine as determined by the proper health officials.
- C. Death in the family. Such absence is limited to a period of three days unless reasonable cause may be shown for a longer absence.
- D. Observation or celebration of a bona fide religious holiday.
- E. Absence during the school day for medical or dental appointments; such absence may require a written note from the medical or dental professional upon return to school.
- F. Circumstances in which the judgment of the superintendent, as determined by the principal, constitutes a good and sufficient cause for absence from school.
- G. Absences related to a student visiting with his or her parent related to military leave or deployment.

Tardy Information

A student is considered tardy when:

- They arrive at school later than 9:10am.
 - If this tardy is due to the bus being late to pick the student up, the student's tardy will be considered excused.
 - If a student is tardy due to an appointment, please provide a note from the provider and it will be excused.
