

HARTWELL CLASSROOM SUPPLY LIST 2020-2021

Please note that this year we are eliminating students sharing common supplies. It is important that each student labels their items when they bring them to school for their first day. **Every student is required to have a face mask in order to enter the building.** Finally, in an effort to keep cost at a minimum for families we are asking for donations of cleaning supplies such as clorox wipes, hand sanitizer, paper towels etc.
