

Clark Montessori High School
Bringing Education to Life

Community Service

Clark Students are required to earn 140 hours of Community Service through high school (grades 9-12). This is equivalent to 35 hours per year. Building a relationship with an organization through service is an opportunity for students to learn more about themselves and potentially what they may want to do in the future. Completion of 60 hours of Community Service recorded in x2Vol is also a way student's can earn a locally defined Graduation Seal.

Upcoming opportunities may be shared in x2Vol...this is the platform used by the district for students to track and record their Community Service Hours. Students can access through their Naviance accounts (accessible through Clever) We encourage students to volunteer with non-profit organizations.

Popular organizations have included:

- FreeStore FoodBank
- Crayons 2 Computers
- American Red Cross
- Cincinnati Parks
- Boys & Girls Clubs of Cincinnati
- Matthew 25 Ministries
- Ronald McDonald House
- TransForm
- Hands Against Hunger
- Habitat for Humanity
- Cincinnati Nature Center
- Cincinnati Youth Collaborative
- United Way
- Santa Maria Community Services
- Gorman Heritage Farm

Students can also volunteer in churches, assisted living/ nursing home facilities, animal shelters, elementary schools, etc. Cincinnati cares website is a good resource <https://cincinnati-cares.org/> for discovering types of opportunities.

If you have questions about Community Service please contact Erin Beamon.
