

NMRSD Update February 6, 2024

Report Card Committee

We are in the process of improving the report cards that are sent home throughout the school year. We are collecting some information to help improve the current report cards, and using your thoughts will help us make changes to our reporting system to improve the overall experience. One of the ways we can improve on the information reported is to hear your thoughts through this [survey](#). Please answer the questions as best you can to share with us what you would like to see on report cards, what has been helpful with the current ones, and some of the areas that can be confusing to understand.

NHS Tutoring Program

National Honor Society members dedicate their time to tutoring elementary, middle, and high school students. Tutoring sessions are held in town libraries after school from 3:00 pm-5:00 pm on weekdays and from 10:00 am-2:00 pm on Saturdays. You can find more specific details about days, times, and locations in the [Google Tutoring Form](#). High school students also have the option for tutoring after school from 2:00 pm-3:00 pm in the Commons or during flex block on Tuesdays and Thursdays. Once a student or parent completes the Google Form, we match them with a tutor and assist in scheduling their first tutoring session.

2023-2024 School Committee Meeting Dates

For now, all sub-committee and most school committee meetings will continue to be virtual as we continue to receive feedback that it is more convenient for the public to attend. Attendance at school committee meetings is one of the best ways to remain current with district policy, budgetary matters, and news.

Unless noted otherwise, all meetings are held on Thursday evenings and begin at 6:00 p.m. For the full docket of meetings, please click on the link below:

Please note these dates are subject to change as committee business necessitates.

2023-2024 Caregiver-Teacher Conferences (March)

Due to the feedback we received, this year will be a little different than the past couple of years and will be as follows:

Elementary will encourage in-person but offer virtual if requested.

Middle will remain virtual.

Please keep in mind that while these are scheduled conference blocks, caregivers can request, either through the teacher or a guidance counselor, a meeting as well. Every effort needs to be made to ensure that these requests are granted in a timely manner.
