Caswell County Schools
Social Media Policy

Objective:
Promoting responsible and effective use of social media platforms within Caswell County Schools to enhance communication, collaboration, and engagement while ensuring the safety and well-being of students, staff, and the community.

Designed by
David Useche, CTO

Guidelines for Students:

Responsible Behavior:

Exercise good digital citizenship and responsible behavior when using social media platforms.

Respect the rights and privacy of others and avoid engaging in cyberbullying, harassment, or the posting of harmful content.

Think critically before posting or sharing content, considering the potential impact on oneself and others.

Respect School Policy

Follow all school policies and guidelines regarding technology and social media usage.

Seek permission from teachers or administrators before posting school-related content or images.

Protecting Personal Information:

Avoid sharing personal contact information, sensitive details, or private photos/videos on social media platforms.

Report any instances of online harassment, bullying, or inappropriate content to a trusted adult or school authority.

Think twice before accepting friend or follower requests from unknown individuals.

Consequences of Violations

Violations of this social media policy may result in disciplinary actions, which can include but are not limited to counseling, warnings, loss of social media privileges, suspension, or other appropriate consequences as determined by the school administration.

Remember, using social media platforms responsibly can have numerous benefits for Caswell County Schools, fostering positive relationships, open communication, and a safe online environment for everyone in the school community.
