CHOICES Program

Caswell County Schools will make available the district's **CHOICES** Education, Awareness, Prevention, and Intervention Program aimed at addressing substance abuse issues involving alcohol and drugs as well as other violations defined in the Caswell County Schools Student Code of Conduct.

The **CHOICES** Program consists of eight (8) learning modules addressing the following components:

1. Goal Setting
2. Making Decisions
3. Communication Skills
4. Substance Abuse
5. Assertive Training
6. Anger Management
7. Anxiety
8. Resource Accusation

Students must successfully attend, actively participate, and complete all required work and assessments associated with the **CHOICES** Program. Students will only be excused from one (1) session once the program is started. Failure to meet all program requirements will result in the immediate implementation of disciplinary actions previously waived or reduced.

The undersigned student and parent/guardian agree to the requirements outlined above.
