RHS FOUNDATION COURSE

NAVIGATING SUCCESS

A 10-week summer programme to equip children aged 11-17 with the linguistic tools to join our main curriculum from September 2024. The RHS Foundation Term will provide an immersive British boarding experience, preparing each child for life in our school environment, alongside boosting their English proficiency.

DATES: APRIL TO JUNE 2024 PRICE: £15,000

Language Level: Minimum CEFR Level B1 (precise level dependent on age). The course is designed specifically for pupils who require a boost in their language proficiency prior to meeting the entry criteria for our mainstream curriculum or important examination years.

PROGRAMME HIGHLIGHTS

Comprehensive English Lessons:

Expert British teachers will guide each pupil in small classes through language lessons, focusing on reading, writing, listening and speaking skills.

Cultural Enrichment:

Pupils will be immersed in the rich tapestry of British culture and discover the wonderful heritage of our historic school. Cultural experiences, trips and co-curricular activities are all included in the course cost.

Award-Winning Pastoral Care:

Wellbeing and safety sit at the heart of our boarding provision. A large support network ensures each child feels safe and happy so they can learn well and achieve their potential.

A Bespoke Programme:

Tailored to each individual, the course will include an engaging range of activities to support English language learning, stretching and challenging pupils of all abilities.

Immersive Experience:

Pupils will interact with British pupils in a range of activities, from sport to debating and trips. English proficiency will be enhanced by real-life scenarios.

Outstanding Environment:

A safe, countryside campus only one hour from London and Cambridge. Exceptional facilities await every pupil, including a modern music school, art and design studios, sports hall, swimming pool, kickboxing studio, basketball courts, golf course and much more.

Don't miss this chance to accelerate English language skills within a British school setting
