January 2024

From the Principal...

Dear Patrick Families:

Happy New Year! I hope winter break has been restful for you all, and you were able to enjoy some family time. With 2024 upon us, it's time to gear up for school again and Patrick staff are excited

to welcome you all back.

This month, we are focusing on Perseverance! Please look for the family connection flyer in your child's next Tuesday folder.

Warmly,

Michelle Cook

Student Leadership

Through the month of December our leadership students have been focusing on morning duty assignments and their new Leader Paws. Students can earn the Leader Paws by practicing and perfecting Character Strong Traits such as respect, responsibility, gratitude, empathy, perseverance, honesty, cooperation, courage and creativity. The team has enjoyed having the opportunity to give out Leader Paws and we had the first drawing at the assembly on Friday, Dec. 15th. Leader Paw recipients have the opportunity to win the "Comfy Couch" drawing or an extra recess drawing. The "comfy couch" winners will be rewarded with a comfy bean bag chair to sit in for the assembly. Extra recess winners will earn an extra recess! We look forward to returning after the much deserved break to hit the ground running on a busy second half of the school year.

Thank you to:

Emily Sanchez, Trevor Warner, Bailey Weisse, Cody Heppner, Gabriella Martin, Jimmy Farney, Lucy O'Brien, Belin Ansures, and Adilynn Vick.

PTO

Did you know PTO sponsors:

- Each classroom teacher with yearly funds
 - Kona Ice
 - Polar Pal Store
 - Big Air Day
 - Special Assemblies such as Wildlife Images, Science Works, and The Bug Guy
- Even volunteering for one or two events throughout the year can be extremely helpful. We would also love your input when planning.

Support Staff

Our wonderful team of support staff are helping kids everyday. We appreciate everything they do!

Parent Drive Line

Please remember our goal is to keep all children safe. You can help us do that by:

- Keeping your child in the car until someone opens your door at the front of the school during parent drop off. We have staff out front from 7:30-8:00 AM.

- Staying in your car at parent pick-up, having your car tag displayed, and moving out of the congested drive line as soon as you have safely buckled your child into the car.
- Please do not park and walk up to get your student - you will be asked to get in the parent pick up line.
- Check in at the office welcome window any time you are on campus.

For students walking or being dropped off by car, please note that there is no supervision until 7:30 am. **No students should arrive to school or be let out of vehicles before 7:30am.** We care about our students safety and need to have an adult supervising them at all times during the school day.

CHANGE OF "GO HOME" PLANS AND EARLY PICK-UP

- We ask that all changes to your child's "go home" plans are communicated to the front office **prior to noon**. This allows plenty of time to notify your child's teacher that there is a change of plans for the day.
- Please make sure that your emergency contacts and person's authorized to pick up your child are up to date.
- If you are picking your student up early from school please be prepared to show ID to office staff.

**CHANGE
OF PLAN!**

SCHOOL & COMMUNITY PROGRAMS

LaClinica Health Services at Patrick Elementary

Hello From Your School Based Nurse,

Exclusion Day is coming in February. If your child is not up to date on immunizations, now is the time to develop a plan to make appointments for vaccines or formally decline through the state of Oregon. La Clinica can help in this area with immunizations available at every school in District 6. Contact your school office and your request will be forwarded to me.

As you talk to your kids this season, remember to add in reminders to wash hands often and not share drinks or food. This will help prevent the spike in illnesses we see in January. Also, we need to continue talking about medication and drug safety. Keep all drugs of any kind out of reach and out of sight of children. Remind children, even teenagers, never to touch an unknown pill they may get from a friend or see lying on the ground. The kids may think they are doing a favor by bringing the unknown substance to an adult, but in reality, it could be harmful. The Fentanyl levels in our community are high and simply touching a pill can be disastrous. We must add a little extra discussion in this area to keep our kids safe.

There are many celebrations and gatherings happening this month. I wish you the best time as you enjoy your family and friends. This time of year can be stressful as well as delightful. Please keep in mind that the holidays are not always a happy time for everyone. Check in with neighbors, friends or acquaintances who may or may not be struggling. Historically, people are challenged with their Mental Health during this time of the year. Your time and words may be the highlight of their season and a little love can go a long way.

To Better Health,

Annual State Assessment Notification

In November, your child will receive information regarding statewide testing and opt-out forms will be made available.

We know that these tests cannot possibly tell us everything about your child's academic progress. However, the results do provide a snapshot of your child's strengths and areas for improvement and can be used as a means to ensure he or she is getting the support needed for future success. In addition, their participation will also ensure that schools and districts receive the targeted resources they need to help all students succeed, particularly those from historically underserved backgrounds.

The Oregon Department of Education has important information regarding the state test which can be found [here](#).

With any additional questions, please reach out to your child's respective school.

Section 504

Central Point School District provides accommodations and special programs for qualified disabled students. These activities are provided through section 504 of the Rehabilitation Act of 1973, and the Individuals with Disabilities Education Act. Your child, or a child of your acquaintance, may be eligible for accommodations or special programming. The district maintains assessment resources to determine eligibility for the resources. If you are aware of a child with a potential disability, including children that may require speech or language services, please notify your principal or Tami White, Special Programs Coordinator 494-6231
