Scholarship Announced

Christopher David Thibodeau was the oldest son of Paul and Vera Thibodeau and brother of Sean and Zachary. He died in 1997 in a car accident, in his senior year. In his memory, Christopher's family has established a scholarship to be awarded to deserving Craig High School graduates. Scholarships in the amount of \$500 will be awarded to graduates planning on continuing their education at a post-secondary institution after graduation. There will be two (2) scholarships awarded to the Class of 2023.

Determination of recipients will be made following submission of an application, which will include personal information and an essay. Scholarship judges will consider educational and personal life goals; involvement in school and community activities and family responsibilities, as well as academic achievement.

Application Procedure

A completed application must be **postmarked** by Friday, May 13, 2023. Applications may be mailed to the address above. Late and/or incomplete applications will not be considered.

The following items must be contained within the application packet.

- ★ Write a cover letter outlining how you have participated in school projects, clubs, sports or events; how you did in school; if you have any family responsibilities that may affect your attending post-secondary education; and what your goals are now.
- ★ Write a 1-2 page essay on how postsecondary education would help you, your family or your community.
- ★ Completed Application Form
- ★ Transcript of Grades
- ★ Two letters of recommendation, one from a Craig School staff member and one from another person, not from the school, who knows you and your goals well.

*Use proper grammar, punctuation and spelling. Creativity is a plus.

Awards

Scholarship recipients will be informed at graduation ceremonies in May. A check will be mailed to the post-secondary institution at the recipient's request for the fall quarter.
