- B. MVPA Data - James reviewed the Spring MVPA data. CMS was once again first in the district in every grade level and category with the exception of 7th ELA by just a few points. The reading scores were 10% higher than the district average while math scores were 23% higher than the district average and above last year's KSA percentages.
- C. Behavior Plan Update - James shared feedback from the new behavior program.
- D. SBG [Changes](#) - James shared the immediate and future changes to Standards Based Grading after requesting the changes to the district. James shared that the immediate changes will be the letter grade ranges aligning more closely to the traditional grading scale (i.e. 90+% of a 3 - A, 80-89% of 3 - B, etc.). This lowers the bottom of the A range from a 3.0 to a 2.8, the bottom of the B range from a 2.75 to a 2.4, etc. Proposed changes next year will be to remove the decision rules and go to a straight average while dropping the lowest score.
- E. Bank Signatures - James informed the council that we opened a new bank account with Heritage Bank due to a recent security breach. Approved signers for the new account will be James Brewer, Lois Ellison, and Kristy Ludeker.
