Week #1: Sea of Pirates

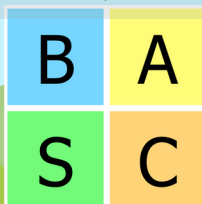

Ahoy Ye Mateys and Welcome to Club Connection! It is time to set sail and start our first week of summer camp: 'Sea of Pirates'! Arrrrggg, are ye pirates ready to start a week full of adventure? Come on, let's go! This week we will be assembling our crews and creating our ships, all in preparation for Pirate Wars. Throughout the week campers will get to create their own pirate gear and participate in games like Captains Coming and Sink the Ship. We will also be going on a hunt for treasure and creating some discovery bottles. Pirates can't forget about their best shipmates, so we will be making our very own pirate pets and then filling our bellies full with some shark bait and pirates' booty. There is so much fun ahead and we are excited to set sail from Port of Club Connection. We will see ye mateys soon!

Week #2: Red, White and Blue

Get ready for a star-spangled week! We'll be feeling the wind in our helmets during a festive bike parade, testing our cooking skills in a chili and cornbread contest, and getting patriotic with tasty fruit flags. Feeling crafty? Be sure to make your own beaded necklace, liberty crown, or star suncatcher!

Week #3: Mystery Grab Bag

Who doesn't like a mystery? Everyday this week will be a secret. Stay on your toes, because you never know what will be coming your way! Monday will be magical with a festival all day. Come prepared with your best dance moves and your vocals cleared. Tuesday we will put our scavenger skills to the test as we will be on the hunt for erasers, humans, zombies, and food. We will kick Wednesday off with games galore. Think anything games, from making your own yoyo, to creating your very own board game! Thursday is all sports. If you're competitive or not, no worries because there will be a huge staff vs. students kickball game. And what better way to end the week with fun with food?! Put on your apron and show off your chef skills. We will end this mystery week with a summer BBQ and making your very own seasoning!

Week #7: Myths and Legends

Don't myth out on all the fun! Join us for Club Connection week 7, Myths and Legends. We will be learning all about a local legend with a camp wide game of Hunt for the Grog, tasting magic beans, and making necklaces out of megalodon teeth. Check out the gym this week for games of Quidditch, Gnome Knockdown, and a fun obstacle course. The magic continues with lots of other legendary activities all week!

Week #8: Big Summer Blowout

This week we would like to wrap up summer camp with a week full of memories, mementos, as well as a few new experiences. This week we will start off by celebrating each child with our Ultimate camper highlight. We will continue the fun by creating a special t-shirt for your campers where they can reverse tie-dye, add special touches that make it unique to your camper as well as have friends and camp counselors sign it at the end of the week. To keep us cool and remind us of the summer coming to an end we will also be having a sand castle competition, some DIY lemonade and a walking fieldtrip to do some bird watching. To Finish out the week the campers will work together to create their own End of Summer Memories movies to watch and reminisce over the BEST SUMMER EVER!
