Grades 9 to 12

## INTRODUCTION TO BUSINESS

Course Code:	BIB115
Length / Credit:	One Semester / 0.5 Credit
Grades:	9, 10, 11, 12
Diploma Category:	Career & Technical Education
Fees:	Optional \$50 Fee covers all PNW-CC courses taken in a given school year- see page 63 for more information
Other Info:	5 Pacific NW College credits available when grade of B or better is earned at Bellevue College (BUS& 101)

Would you like to own your own business some day? Whether you would like to own your own business, manage a business, or simply work for one, this class is for you! This course introduces students to the following topics: the business environment and forms of ownership; how to manage and lead others; effective business communication in the workplace; and how to achieve financial success. Students will gain experience running a virtual retail business (pricing, purchasing, promoting, recordkeeping, etc.), as well as participate in the creating of their own company, develop a business plan, and present their company to an audience of their peers. Students will learn how to keep the basic financial records of a company throughout the course of a month “on the job”. Students will role play employee/customer or employee/manager situations to develop human relation and interpersonal communication skills which are essential to working effectively in an organization.

**Note:** Membership in Future Business Leaders of America (FBLA) is encouraged.

## BUSINESS MANAGEMENT

Course Code:	BOM115
Length / Credit:	One Semester / 0.5 Credit
Grades:	9, 10, 11, 12
<b>Prerequisite:</b>	<b>Successful completion of Intro to Business for 9<sup>th</sup> Grade</b>
Recommended:	Intro to Business for 10, 11, 12
Diploma Category:	Career & Technical Education
Fees:	Optional \$50 Fee covers all PNW-CC courses taken in a given school year- see page 63 for more information
Other Info:	5 Pacific NW College credits available when grade of B or better is earned at Bellevue College (BUS& 101)

Business Management introduces students to the business environment and forms of ownership; how to manage and lead others, effective business communication in the workplace, and entrepreneurship. As entrepreneurs starting their own business, students get a chance to be the boss of their own company; they will find a location for their business, choose a form of ownership, hire and supervise employees, find and keep customers, and use insurance to manage risk. Students will be challenged to read résumés critically and choose the best people for their business. Students will be engaged with management challenges such as labor shortages, strikes, problem employees, and industrial accidents. Students will read and role-play situations from the One Minute Manager, one of the best-selling management books in history, which teaches the fundamental secrets of effective goal setting, praising, and redirecting. Learn customer service from lessons developed by Walt Disney Parks & Resorts in the continual pursuit of excellence to create the best customer experience possible!
