Serving portions of Livonia and
Westland Michigan
Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-2024 educational progress for the Livonia Public Schools School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Theresa O’Brien, Chief Academic Officer for help if you need assistance.

The District AER is available for you to review electronically by visiting the following website www.livoniapublicschools.org, or you may review a copy in the main office at your child’s school. Each school will also be communicating their own AER to parents directly, which is also available on the district’s web site and at their school.

The district’s AER has two major sections that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, specialized programs, school improvement efforts, and two years of results on district developed assessment and nationally norm-referenced assessments. It also includes the district’s parent involvement policy.

The second section of the report contains information provided by the Michigan Department of Education and is required to be presented in their format. These reports contain the following information:

**Student Assessment Data** – Based on 2022-2023 State Testing, including the following assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT and SAT, Mi-Access (Alternative Assessment). This report section presents assessment information for English language arts and mathematics for grades 3 to 8 and 11 and MI-Access science for grades 4, 7, and 11 compared to state averages for all students as well as subgroups of students. This report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

**Accountability** - Detail Data and Status
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

**Teacher Qualification Data**
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

**NAEP Data (National Assessment of Educational Progress)**- No new Data for 2022-23
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

**Civil Rights Data**
- Provides information on school quality, climate and safety.

The table below lists each of our schools and their key initiatives. For the 2023-24 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given. **None of our schools have been given a label.**

<tbody>
<tr>
<td>Buchanan Elementary</td>
<td>No Label Identified</td>
<td>Buchanan has identified students one to two grade levels behind, for whom additional intervention and support is needed. In place is a multi-tiered system of support, including the use of research-based interventions targeting specific students with specific needs. Kindergarten, first and second grade teachers have been trained and using Orton-Gillingham, a multisensory phonics technique for remedial reading instruction. All teachers are using integrated units of study that will incorporate reading, writing, science and social studies. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners take place regularly. We also concentrate our efforts in an ongoing analysis of formative assessments to determine the needs of all students, followed by the provision of targeted learning intervention to students in need. Grade level teams meet regularly for PLC sessions, and we conduct schoolwide data dives three times each year for Tier I and Tier II reflection, intervention and improvement.</td>
</tr>
<tr>
<td>Cleveland Elementary</td>
<td>No Label Identified</td>
<td>To accelerate student achievement for all groups, Cleveland Elementary has put in place a multi-tiered system of support that provides supplemental instruction to our most at-risk students through Title I Literacy support groups throughout the school year. This includes the use of research-based interventions targeting specific students with specific needs. Kindergarten, first and second grade teachers have been trained and has implemented Orton-Gillingham, a multisensory phonics technique for remedial reading instruction. Third and fourth grade students are being trained in Morphology which is an extension of Orton-Gillingham. All teachers are using integrated units of study that will incorporate reading, writing, science and social studies. Teachers also engage in the PLC process which included the analysis of common assessments to determine how to best meet the academic needs of all students. Our intent is to take a close examination of our instructional practices and Tier I instruction while continuously using student achievement data to provide the timely interventions and enrichment opportunities to improve the academic achievement of all students.</td>
</tr>
<tr>
<td>Coolidge Elementary</td>
<td>No Label Identified</td>
<td>Coolidge has identified students one to two grade levels behind, for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas. In place is a multi-tiered system of support, including the use of research-based interventions, targeting specific subgroups of students with specific needs. Kindergarten, first and second grade teachers utilize Orton-Gillingham, a multisensory phonics curriculum. Our third and fourth grade teachers are in the process of learning and using Morphology. All teachers are using the Livonia Public Schools integrated units of study that</td>
</tr>
</tbody>
</table>
incorporates reading, writing, science and social studies content. Intervention is determined by a student's I Ready Diagnostic score, BAS reading level, and Informal Decoding Inventory score. These interventions include Basic Alphabet Knowledge (BAK), Using Letter Sounds, Using Letter Patterns, Blends and Digraphs, R-Controlled Vowels, Vowel-Consonant-e, Long-Vowel Teams, and Multisyllabic Decoding. Interventions are also available in this program for Fluency and Comprehension (FAC) and Vocabulary and Comprehension (VAC). Grade level teams meet regularly for PLC sessions, and we conduct schoolwide data dialogues three times each year to reflect on student growth and achievement.

<tr>
<td>Grant Elementary</td>
<td>No Label Identified</td>
<td>Grant has identified students one to two grade levels behind, for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas. There is a multi-tiered system of support, including the use of the research-based interventions. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need.</td>
</tr>
<tr>
<td>Hayes Elementary</td>
<td>No Label Identified</td>
<td>Hayes Elementary has identified our growing economically disadvantaged subgroups of students, for whom additional interventions and supports are needed in order to increase their proficiency and to close the achievement gap in the targeted academic areas. As a school, we use our mission and priorities to guide us as we work towards closing achievement gaps between the students at our school and our school when compared to other schools. Our priorities allow us to focus on helping all students feel like they are learning in a trusting and safe environment where a growth mindset can help them step up to challenges as they learn in authentic and focused ways. We prioritize Tier 1, so that our Tier 2 and 3 can become more manageable and successful. These initiatives are intended to accelerate the student achievement of all students and subgroups.</td>
</tr>
<tr>
<td>Hoover Elementary</td>
<td>No Label Identified</td>
<td>Hoover has identified underperforming subgroups of students, including students with disabilities and economically disadvantaged students for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas. In place is a multi-tiered system of support, including the use of the research-based interventions, targeting specific subgroups of students with specific needs. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need.</td>
</tr>
<tr>
<td>Kennedy Elementary</td>
<td>No Label Identified</td>
<td>Kennedy has identified underperforming subgroups of students, including students with disabilities and males for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas. In place is a multi-tiered system of support, including the use of research-based interventions, targeting specific subgroups of students with specific needs. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need.</td>

| Niji-Iro Elementary    | No Label Identified | The students who tested in the bottom 30% have been identified as a subgroup that is underperforming at Niji-Iro. We have looked at the areas of Reading and Math and are actively working to address these issues by:  
  - English teachers servicing students in need of additional support in math and reading through targeted interventions.  
  - Differentiated instruction in both Reading and Math designed to meet the needs of all students.  
  - Targeted small group Guided Reading instruction.  
  - Curriculum review and mapping to the state standards in Math.  
  - Daily interventions with our Dual Language Interventionist. |
| Randolph Elementary    | No Label Identified | Based on this data, key challenges for Randolph include addressing the specific academic needs of students with disabilities, economically disadvantaged students and English Language Learners. Data trends indicate that of these underperforming subgroups, students with disabilities manifest the largest achievement gaps and hence we are providing additional interventions and supports to increase their proficiency and close the achievement gaps in the targeted areas.  
  In place is a multi-tiered system of support implemented and monitored by our building’s Student Achievement Team. This intervention system includes the use of the research-based interventions, targeting specific subgroups of students with specific needs. In addition, ongoing professional development and staff dialogue focusing on instructional strategies to support struggling learners takes place regularly within and across all grade levels. Randolph staff also engages in ongoing analysis of formative and summative assessments to determine the needs of all students, followed by the provision of targeted learning interventions for all subgroups of students in need of these supports.  
  The Randolph staff integrated the PBIS philosophy as well to teach routines and procedures. We have a school-wide behavior matrix that guides our decisions that is a blend of the Leader in Me and PBIS philosophies. |
| Roosevelt Elementary   | No Label Identified | Roosevelt Elementary has identified students one to two grade levels behind, for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas.  
  This year, we continue to utilize the multi-tiered system of support that is in place for our struggling learners. This multi-tiered system includes the use of a Universal Diagnostic Screener, called i-Ready and research-based interventions, which include i- Ready instruction. In addition, ongoing Professional Development and dialogue focusing on strategies to support struggling learners takes place regularly during grade-level collaboration and defined professional development and collaborative learning times. Ongoing analysis through our local data dives of formative assessment is done to determine the needs of all students, followed by the provision of targeted learning intervention to students in need. |

<tr>
<td>Rosedale Elementary</td>
<td>No Label</td>
<td>Based on this data, Rosedale has identified underperforming subgroups of students, including economically disadvantaged students and students with disabilities, for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas. Rosedale has in place a multi-tiered system of support, including the use of research-based interventions, such as Orton Gillingham instruction, and I Ready Reading Instruction. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need. These initiatives are intended to accelerate the student achievement levels in meeting both the school's and the state's proficiency targets, thereby closing learning gaps including those of the bottom 30% of our performers. Grade level teams meet regularly for PLC sessions, and we conduct schoolwide data dives four times a year for Tier I and Tier II reflection and improvement.</td>
</tr>
<tr>
<td>Webster Elementary</td>
<td>No Label</td>
<td>At Webster Elementary our school has identified that students with excessive absenteeism are consistently outperformed by their peers in all subjects, for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas. In place is a multi-tiered system of support, including the use of the research-based interventions. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need.</td>
</tr>
<tr>
<td>Cooper Upper Elementary</td>
<td>No Label</td>
<td>Cooper has identified underperforming subgroups of students, including economically disadvantaged students for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas. To accelerate student achievement, Cooper Upper Elementary has put in place a multi-tiered system of support that provides supplemental instruction to our most at-risk students through Title I Literacy and Math support groups throughout the school year, which also includes dedicated time for small group instruction and RTI time. Students are also provided with social-emotional support through daily interventions (Lunch Bunch, Targeted SEL interventions, Restorative Practices, Monthly Positive Behavior Assemblies, etc). In addition, we will be addressing the achievement gap for our economically disadvantaged students by consistently providing all students a Guaranteed and Viable Curriculum which includes a focus on the Priority Standards. Teachers will engage in the PLC process which includes the analysis of common and formative assessments to determine how to best meet the individual needs, academically and/or social emotionally, of all students. Our intent is to take a close examination of our instructional practices (using formative assessment and the development of strong learning targets/success criteria) and Tier I instruction while continuously using student achievement data to provide the right fit interventions and enrichment opportunities to improve the academic achievement of all students.</td>

| Johnson Upper Elementary | No Label Identified | Johnson Upper Elementary, has identified underperforming subgroups of students, including children of color, students with disabilities, and economically disadvantaged students for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas.  
To accelerate student achievement, Johnson Upper Elementary has put in place a multi-tiered system of support, including the use of research-based interventions and data to develop and support small group instruction to improve student achievement. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place routinely within our Professional Learning Teams. Ongoing analysis of benchmark assessments, I-Ready data, and classroom performance are used to guide instructional decisions that will best optimize student achievement. |
| Riley Upper Elementary | No Label Identified | Riley Upper Elementary staff has identified underperforming subgroups of students, including students with disabilities for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas.  
In place is a multi-tiered system of support, including the use of research-based interventions. We have also created a school-wide intervention block to better meet the needs of our struggling learners. All teachers meet weekly in Professional Learning Teams to look at data to help them drive instruction for all learners. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessments to determine the needs of all students is followed by the provision of targeted learning interventions to students in need. We have also implemented the PBIS program throughout the school to help students have a safe and positive environment in which to learn. |
| Emerson Middle School | No Label Identified | Based on this data, our school has identified students one to two grade levels behind, for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas.  
Emerson is committed to ensuring that all students have access to a guaranteed and viable curriculum. We continue to disaggregate data and focus on the achievement gap between the top 30% and the bottom 30%, as well as various subgroups of students including those who may be economically disadvantaged, English learners, and students with disabilities, so that all students learn at high levels. Additionally, we continue to embrace the Professional Learning Community (PLC) process, using these four critical questions to guide our work:  
What do we want all students to know and be able to do?  
How will we know if they learn it?  
How will we respond when some students do not learn?  
How will we extend the learning for students who are already proficient?  
Our staff meet weekly in their professional learning teams (PLTs) to answer the above four questions, collaborate and plan curricula, and to analyze student assessment results to better inform instruction. Additionally, we continue to implement Eagle Time, a 25-minute period each day where students are provided opportunities for intervention and enrichment based on students’ needs. To help students be successful, we offer both Enrichment and co-taught English language arts and mathematics classes, Middle School Success Strategies classes for both 7th and 8th grade students, a full-time Student Assistance Provider, social worker, and psychologist. In addition to the many academics... |
supports we offer; we are also proud of the variety of clubs and after-school activities that contribute to a positive and supportive culture at Emerson Middle School.

<tr>
<td>Frost Middle School</td>
<td>No Label Identified</td>
<td>Although significant gains have been made within subgroups, students with disabilities continue to require additional academic intervention and support to increase their proficiency and close the achievement gap in targeted areas. Our staff meet weekly in their professional learning teams (PLTs) to collaborate, plan, and analyze student assessment data to better inform instruction. Additionally, we continue to implement Falcon Time, a 25-minute period each day where students are provided opportunities for intervention and enrichment based on individual needs. Continued efforts are in place to address the academic and socioemotional needs of students at Frost including multi-tiered systems of support for academics, social and emotional learning (SEL), and school appropriate behaviors. These supports include small group instruction that target specific areas among students with similar academic needs, intense literacy and math support for students working well below grade level, and Peer Tutoring through our National Junior Honor Society (NJHS). Behavioral supports provided by a fully implemented Positive Behavior Interventions and Supports (PBIS) program include a systematic reward system for demonstration of school appropriate behavior, and Tier II mentoring for students who require additional behavioral support. The adoption of a schoolwide writing goal has been put in place to support students writing across the curriculum. Teachers assess student writing with a common rubric three times during the school year to record student growth and identify areas of strengths and weaknesses. Professional Learning Teams, continue to work together to develop common formative assessments to analyze ongoing student growth and determine academic interventions when students are not mastering academic content. Frost Middle School houses Livonia Public Schools magnet program for the academically talented, MACAT (Middle Alternative Classroom for the Academically Talented). MACAT students comprise more than half of the students in Frost’s top 30% on the state assessment. Frost’s enrollment has declined over several years, causing the MACAT students to comprise a higher percentage of the overall school population, which in turn raises the achievement threshold of the top 30% and contributes to the achievement gap between the top and bottom 30%. Other factors contributing to the achievement gap include attendance and student mobility. Although we have seen a marked decrease in the achievement gap, we continue to develop supports and strategies intended to accelerate student achievement of all subgroups, including the state’s bottom 30%, who are not meeting our school’s proficiency targets.</td>
</tr>
<tr>
<td>Holmes Middle School</td>
<td>No Label Identified</td>
<td>A key challenge for Holmes Middle School is the low performance scores of the Bottom 30% and our students with disabilities in regard to science, math, and social studies. A few key initiatives include but are not limited to supplying co-taught classes to provide extra support for struggling learners, after-school help sessions weekly, implementation of the common core curriculum, implementation of our new math program, providing resource room hours daily for those students who qualify, and provide a support class for struggling general education students. These initiatives are intended to accelerate the student achievement of our two subgroups that are not meeting our school’s proficiency targets.</td>

| Churchill High School|                     | At Churchill High School we have several key challenges we are facing as it pertains to our state test scores. The challenges are to improve our subgroup test scores and bring the students in those groups to the levels they need to be so they are meeting the State proficiency targets. The three largest target groups for Churchill High School are the bottom 30%, students with disabilities, and African American students. We are instituting or continuing the following initiatives to help address the scoring gap between our proficient students and the bottom 30%, our students with disabilities, and our African American students. We are working to address these issues in the following ways:  
  - Continuing to refine Churchill’s school improvement plan to meet the needs of all Churchill students.  
  - Continuing Algebra Lab, supported by diagnostic testing, to help freshmen who need to increase math skills.  
  - Utilizing i-Ready to improve reading levels for students in Freshman Transition.  
  - Continuing the liaison model for supporting special education resource room students.  
  - Continuing to run classes for struggling learners such as Academic Prep and Academic Success Strategies.  
  - Expanding our before- and after-school programs to include a math lab during lunch hour, more peer tutoring, and staff interaction with students in classrooms and computer labs.
| Franklin High School  |                     | Based on this data, our school has identified underperforming subgroups of students, including economically disadvantaged students and students with disabilities, for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas.  
Our ongoing challenge as a school is to ensure all students are performing academically at grade level or higher, including our low-achieving students, our minority populations, and those with learning disabilities. This school year our School Improvement Goals focus on the following:  
  - increasing our students’ academic achievement in reading informational text.  
  - creating positive teacher/student relationships.  
  - working collaboratively in Professional Learning Communities to work toward providing our students a guaranteed and viable curriculum.  
These strategies positively benefit our subgroups as well as our entire student population. Our school improvement efforts have multiple avenues and levels of attack:  
  - We have expanded our targeted support for our at-risk population, which includes students who are reading below grade, students who are missing the foundational level of mathematics, and/or students who are struggling emotionally and socially. |

<thead>
<tr>
<th>School</th>
<th>Initiatives</th>
</tr>
</thead>
<tbody>
<tr>
<td>Stevenson High School</td>
<td>Our biggest challenge has been overcoming stagnant standardized test scores for the past few years. The key initiatives are:</td>
</tr>
<tr>
<td></td>
<td>Intervention (Mascot) Time – This year, we have continued an intervention time into the daily time schedule. Twice a week for 35 minutes, there is time within the school day for students to reach out to staff or for staff to pull out students for targeted instruction and/or additional supports.</td>
</tr>
<tr>
<td></td>
<td>MTSS - In place is a multi-tiered system of support, including the use of research-based interventions targeting specific students with specific needs. All staff has received training on the PLC process. In addition, ongoing professional development and dialogue focusing on strategies to support all learners is taking place. There is ongoing analysis of formative assessments to determine the needs of our students.</td>
</tr>
<tr>
<td></td>
<td>Secondary Success Facilitators were created to assist and support staff with identifying the four guiding questions of PLT.</td>
</tr>
<tr>
<td></td>
<td>● What do we want students to learn?</td>
</tr>
<tr>
<td></td>
<td>● How will we know if they learned it?</td>
</tr>
<tr>
<td></td>
<td>● What do we do when they haven’t?</td>
</tr>
<tr>
<td></td>
<td>● What do we do when they have?</td>
</tr>
<tr>
<td></td>
<td>We are engaged in creating a guaranteed and viable curriculum. To achieve this, we have created common formative assessments, planning appropriate mascot time interventions, collecting, and analyzing student data, and using student data to drive instruction. Data points (iReady, CSA’s, M-Step, SAT). Framework to provide quality tier 1 classroom instruction, tier 2 interventions, and tier 3 support options that will help all students succeed. Our counseling department has conducted student needs assessments to assist with identify barriers that may impact learning. All students will be well known by at least one adult who supports their educational experience. Administration has identified at-risk students. (Attendance, discipline, academic concerns). Additionally, students who have not demonstrated mastery of essential standards are being identified.</td>
</tr>
<tr>
<td>Livonia Career Technical Center</td>
<td>At Livonia Career Technical Center we strive for proficiency in all Perkins Core Performance Indicator categories, which are as follows:</td>
</tr>
<tr>
<td></td>
<td>● Four-year graduation rate</td>
</tr>
<tr>
<td></td>
<td>● Academic proficiency in reading</td>
</tr>
<tr>
<td></td>
<td>● Academic proficiency in math</td>
</tr>
<tr>
<td></td>
<td>● Post-program placement</td>
</tr>
<tr>
<td></td>
<td>● Non-traditional program concentration</td>
</tr>
<tr>
<td></td>
<td>● Program quality credentials</td>
</tr>
<tr>
<td></td>
<td>During the 2022-2023 school year we fell short of proficiency in only one category, which was program quality credentials. This was a new core performance indicator, and our building is working diligently on incorporating this new requirement into our curriculum. We are proud to say that this year all of our programs have implemented credentials or are planning to in the near future.</td>
</tr>
<tr>
<td></td>
<td>To maintain proficiency in reading in math we continue to work with our math and English language liaisons. We also utilize our special population paraprofessionals to help make sure all of our students can successfully complete their career technical education classes. These academic supports also help us to produce a high percentage of completers in our CTE programs.</td>

Our LPS Priority Areas are:
* Focused on Student Achievement
* Cultivated with Employee Capacity
* Supported by Fiscal Responsibility
* Wrapped in Climate and Culture

These four core priorities guide our decision-making, our resource allocation and are built on the foundation of our district’s Shared Vision.

We are proud to partner with our supportive parents and community members who play an invaluable role in the educational journey of our students.

Our district’s internal comprehensive Quality Assurance Review process is designed to ensure high levels of learning for all students. By living our district’s vision and priorities, we maintain a laser-like focus on student achievement, enhancing programs and offerings for our students and promoting a passion for lifelong learning.

We are proud to serve the children and staff of Livonia Public Schools.

Sincerely,

Andrea L. Oquist, Superintendent

DISTRICT PROFILE

Students: The Heart of Our Mission
The Livonia Public Schools School District covers 39 square miles in the cities of Livonia and Westland. We operate 26 schools or centers, serving the needs of 13,268 regular and special education students. Of that number, 6,678 are enrolled in 15 elementary schools (K-6). In three middle schools (grades 7-8), there are 1,923 students. There are 475 students enrolled in special schools and 4,237 students in three high schools and the Career/Technical Center (grades 9-12). The Livonia Public Schools has 7,956 eligible students and transports approximately 6,723 students each day on 71 school buses, traveling approximately 1,020,280 miles per school year.

Employees Are Our Greatest Asset
Meeting the many and diverse needs of our K-12 students are 980 professional instruction staff, 25 instructors; 55 principals and assistants; 309 secretaries and paraprofessionals; 42 child development assistants; 9 instructional coaches, 4 administrative assistants; 42 building supervisors (SEALS); 248 bus drivers, maintenance workers, warehouse personnel, custodians, and food service workers; 3 PAC managers; 3 adult education and community education staff; 9 central office administrators; 25 district supervisors and crowd control personnel.

In addition, our professional instructional support staff includes psychologists, social workers, learning specialists, elementary support teachers, speech and language therapists, resource classroom teachers, media specialists, counselors, student and family assistant specialists, occupational and physical therapists, and homebound or hospitalized service providers. About 84% percent of our certified staff has advanced educational degrees. We maintain an average district-wide pupil teacher ratio of twenty five to one.
Our Mission
To educate, challenge, and inspire every student to achieve personal success and become a confident contributor to society.

Find Your Purpose

Discover Your Pride

A Destination District
- Rooted in a tradition of excellence with dynamic vision for the future
- The ninth largest district in the state
- Serves more than 13,000 students
- Employs nearly 2,000 staff
- Ongoing facility enhancements made possible by two voter-approved bond issues in 2013 and 2021, totaling $380 million in improvements
- Functions and collaborates as a Professional Learning Community while supporting Professional Learning Teams districtwide
- Robust Multi-Tiered System of Support (MTSS) at all levels
- Supported by active LPS Education Foundation
- Collectively, one of the largest PTA/PTSA memberships in the state
- Special education programs for infants through age 26
- Award-winning FIRST Robotics programs for middle and high school
- Lego League FIRST Robotics elementary opportunities
- STEM pathway for grades K-12
- Equity, Engagement & Belonging climate and culture focus
- Social Emotional Learning across all grade levels

Elementary Highlights
- Ten lower elementary schools (K-4)
- Three upper elementary schools (grades 5-6)
- Niji-Iro Japanese Immersion Elementary (K-6) – One of four full immersion schools nationwide
- Relentless focus on high levels of learning for all students
- Webster Elementary houses program for gifted and talented students (ACAT program) and students with physical and cognitive disabilities (RISE program) in grades 1-6
- Enhanced music opportunities beginning in fifth grade (music appreciation and exploration, including instrumental options)
- Project Lead the Way STEM pathway starts in kindergarten
- Before and after school childcare available
- Caring Schools curriculum

Secondary Highlights
- Three middle schools (grades 7-8)
- Three high schools (grades 9-12)
- Newly re-imagined and renovated Library Media Centers & Idea Factories
- More than 35 Advanced Placement (AP) courses offered in high school core subjects
- Accelerated pathway with advanced course offerings
- Livonia Career Technical Center – newly expanded school offering career education and certification programming. Courses include skilled trades, graphic arts, fashion merchandising, computer networks and video game design, criminal justice, medical and more
- Career Intern & Vocational Intern Program for juniors and seniors
- Dual Enrollment Program to earn college credits in high school
- Math, Science & Computers (MSC) program for advanced high school students
- Relentless focus on high levels of learning for all students
- Middle School Alternative Classrooms for the Academically Talented (MACAT) in middle school
- Creative and Performing Arts (CAPA) program for high school – audition-based magnet program with acting, vocal music and dance strands
- Global Education Program

Early Childhood Highlights
- New state-of-the-art Early Childhood Center opens in Fall 2024
- Preschool and childcare programs
- Young Fives pre-kindergarten program
- Great Start Readiness Program (GSRP) program
SPECIAL EDUCATION HIGHLIGHTS

- Comprehensive programs for students from birth through age 26
- Parents may refer child for an evaluation at the first detection or diagnosis of a disability
- Programs and services for children with speech and language delays; physical or cognitive impairments; autism spectrum disorders; hearing or visual impairments
- Testing; evaluations; personalized education plans; high level of parent involvement
- Programs for speech and language delays beginning in early childhood
- Skills-based education for students ages 18-26 at Western Wayne Skill Center at Garfield Community School
- Livonia Transition Program onsite at Schoolcraft College
- Community partner internship opportunities for all transition program students ages 18-26
- Competitive employment opportunities facilitated by job coaches
- Excellent business/community partnerships
- A growing Unified Athletics program in basketball, cheer, bocce ball and summer sports camps

SAFETY AND BELONGING

- Student-centered learning environments staffed with caring and expert staff
- Number of school psychologists, social workers, other professional mental health professionals significantly increased in recent years
- Climate and culture initiative, Community with Character, in place for a decade
- Social Emotional Learning curriculum with focus on mental wellness
- Social Emotional Hotline for students, families, staff
- Equity, Engagement & Belonging climate and culture focus
- A comprehensive safety and security review conducted in all schools/facilities districtwide by outside security professionals in 2023
- Secure vestibule entrances; locked doors; extensive security camera system interior, exterior and on busses; buzz-in entrances; all-staff trainings
- $1 million annual investment in security personnel

FACILITIES HIGHLIGHTS

- Newly renovated schools and facilities
- Updated classroom technology
- Expansion of LCTC / Robotics space
- New Early Childhood Center (opening Fall 2024)
- New athletic fields at high schools
- Well-equipped field houses and gymnasiums
- New and expanded Performing Arts Centers at high schools
- Energy efficient focus districtwide

EXTRA CURRICULAR HIGHLIGHTS

- Extensive offerings in athletics, music, theater and many activities and clubs
- E-sports clubs at high schools
- Award-winning FIRST Robotics programs

PARENT INVOLVEMENT & COMMUNICATION

- Focus on open two-way communication between families and district
- Parental involvement on committees, task force groups, etc.
- Strong PTA/PTSA membership
- Multi-platform communication (email, phone, text, social media, in-person meetings, events)
- Parent Connect system to access student information
- Updated and user-friendly district website with 23 school sub-sites
- Board of Education meetings are live-streamed online, broadcast on local cable access channel and archived on website
- Direct email link to the Communications Department included in district emails and on website for efficient access to the district (communications@livoniapublicschools.org)
We, the Livonia Public Schools community, put the needs of our students and their education first. We promote a passion for learning and stand as a source of pride for our students, staff, families, and community - all of whom are essential to our shared success. We commit ourselves to this Shared Vision.

ENHANCING OUR CLIMATE
We are a caring community that knows and lifts every student. Our staff, students, parents, and community members recognize and value the unique contributions each brings to our educational community. Therefore, we see a school district where we:

- Provide a safe, joyful, welcoming environment for all who enter, and a place where students are eager to learn.
- Respect, value, and trust one another.
- Celebrate the uniqueness of each individual with acceptance and understanding.
- Value open, collaborative participation among all stakeholders.
- Learn and grow in updated, well-maintained, and inviting spaces.
- Utilize innovative practices and technology.

ENGAGING OUR LEARNERS
We are a learning community that inspires and motivates all students to reach their full learning potential. Therefore, we see a school district where students:

- Experience joy in learning.
- Are challenged to give their personal best.
- Have their unique learning needs met.
- Engage in opportunities that connect to the world around them.
- Are provided instruction that is guided by curriculum standards and purposeful assessments.

EMPOWERING OUR STAFF
Every staff member’s contribution is vital to our organization. We are a district that has a deep commitment to holding ourselves to the highest standards while providing opportunities to learn and grow. Therefore, we see a school district where our empowered staff:

- Works collaboratively to improve student learning and well-being.
- Uses innovative, creative, and research-based ideas to support student success.
- Engages in meaningful and effective professional development.
- Utilizes technology and resources to enhance job effectiveness.

PURSUING ORGANIZATIONAL EXCELLENCE
We are an organization that pursues excellence with determination and commitment. Therefore, we see a school district as one that supports:

- Continuous improvement in all that we do.
- Hiring and retaining high-quality staff.
- Implementing innovative practices.
- Collaborative problem-solving and decision-making.
- Purposeful exploration of exemplary practices for educational excellence.

PREPARING OUR STUDENTS
We are a school district that prepares each student for his or her life journey. Therefore, we see a school district where students are:

- Persons of character who are contributing members of society and who seek opportunities to learn throughout their lives.
- Independent, confident, and hopeful, with the life skills to plan and build successful futures.
- Prepared with the academic skills necessary to pursue educational and career pathways.

This Shared Vision document provides the inspiration for our continuous improvement and the benchmarks by which we will evaluate our progress. We dedicate ourselves to these ideals.
The Livonia Public Schools Shared Vision provides the imagination of what we hope to become, and a blueprint for continuous improvement. The clarity of our Shared Vision and commitment to it is crucial to our success. We have identified the following Collective Commitments that will define the behaviors that lead us to our Shared Vision.

**LEARNING: OUR PRIORITY**
- Learning is what we’re all about - for students as well as adults. We are committed to both individual and collective growth.
- We make learning come alive through engaging and inspiring our students.
- Individual differences matter; we strive to provide for our students’ unique needs.

**OUR ENVIRONMENT**
- We create positive, welcoming, and safe environments where students, staff, and parents are eager to learn, work, and visit.

**OUR INTERACTIONS**
- Respect and integrity are at the core of our interactions with one another. When these are compromised, everything is compromised.
- We model responsible, ethical behavior.

**OUR PRACTICES**
- We collaborate in order to produce results superior to those achieved individually.
- We are innovative in our pursuit of excellence. We actively seek a better way.
- We recognize and celebrate our successes.

**OUR COMMUNICATION**
- We want everyone to have a real voice. With that comes a responsibility to speak openly, to listen to others, and to be part of the solution.
- We engage in open and timely communication with each other.

**OUR RESOURCES**
- We safeguard and conserve our district resources with great diligence.

*We will honor, advance, and value these commitments; the education of our students depends on it.*
SCHOOL IMPROVEMENT

School Improvement Fuels Growth
The District as a whole, and each school individually, uses results-driven school improvement processes to increase student achievement. Each school selects improvement goals based upon the learning needs of its students. District level improvement efforts are embodied in our District Mission statement and Shared Vision. School and District improvement team membership includes staff, parents, students, and community.

SHARED VISION GOAL
The district’s shared vision is the touchstone for all our school improvement efforts. Each year we set district priority areas based on stakeholder feedback. The priority areas are then communicated as a part of our administrative open day, new teacher orientation and at professional development. The priority areas for the next three years are:
- Student Achievement
  Demonstrating a strategic commitment to student learning as evidenced by measurable growth and achievement for all students through consistent, rigorous and engaging curriculum & instruction. Student learning is at our core.
- Employee Capacity
  Investing in our students begins with an investment in our staff. Building capacity and engagement of each LPS staff member results in meaningful and impactful work.
- Fiscal Responsibility
  Exhibiting thoughtful and consistent oversight of budget development in order to utilize our district’s finances & resources to maximize opportunities for students, support our priority focus areas and promote an environment of fiscal responsibility.
- Climate and Culture
  Upholding a culture in which we value one another and each contribute daily to a respectful, engaging and positive environment for all.

DISTRICT ACADEMIC GOALS
All students in Livonia Public Schools will be proficient Readers of Literature and Informational Text.

Measurable Objective 1: 80% of All Students will achieve college and career readiness by being able to read and comprehend literary and informational texts. in Reading by 06/01/2025 as measured by State and National Assessments.
Measurable Objective 2: A 5% increase of Male Black or African-American, Bottom 30%, White, Economically Disadvantaged, Homeless, Students with Disabilities, English Learners and Two or More Races students will increase student growth with the skills necessary to read and comprehend grade level literary and informational text in Reading by 06/07/2025 as measured by Local, District and State Assessments.

All students in Livonia Public Schools will be proficient communicators through writing.

Measurable Objective 1: 80% of All Students will achieve college and career readiness by being able to communicate through writing for a variety of purposes and audiences by 06/01/2025 as measured by Local, State and National Assessments.
Measurable Objective 2: A 5% increase of Male Black or African-American, Bottom 30%, White, Economically Disadvantaged, Homeless, Students with Disabilities, English Learners and Two or More Races students will increase student growth with the skills necessary to communicate through writing by 06/07/2025 as measured by Local, District and State Assessments.

All students in Livonia Public Schools will be proficient in mathematics.

Measurable Objective 1: 80% of All Students will achieve college and career readiness by being able to solve problems in Mathematics by 06/01/2025 as measured by Local, State and National Assessments.

Measurable Objective 2: A 5% increase of Male Black or African-American, Bottom 30%, White, Economically Disadvantaged, Homeless, Students with Disabilities, English Learners and Two or More Races students will increase student growth with the skills necessary to solve problems in Mathematics by 06/07/2025 as measured by Building, District and State Assessments.

2018-2021 Goals

1. All students in Livonia Public Schools will be proficient Readers of Literature and Informational Text.
2. All students in the Livonia Public Schools will be proficient Writers.
3. All students in Livonia Public Schools will be proficient in Mathematics.
4. All students in the Livonia Public Schools will be proficient in Science
5. All students will be proficient in Social Studies
6. All students will increase their use of technology tools to engage in learning and collaborate with other students and staff.
7. Enhancing Leadership Skills

The District School Improvement Team (DSIT) brings together representatives from all stakeholder groups to ensure that the district is engaged in continuous improvement towards the Shared Vision. This year our DSIT has been renamed to be our Vision Forward Team. They are work on developing a Portrait of a Graduate from Livonia Public Schools which will be shared with stakeholder groups to gather feedback. The Vision Forward Team will also update our Collective Commitments.

The district is responsible to monitor individual school’s school improvement efforts and has established a Quality Assurance Review (QAR) team for this purpose. The team has a process for monitoring school improvement efforts that includes visiting schools and providing feedback on their school improvement efforts and revised elements of the monitoring process based on feedback from team members and school staff. Beginning with the 2023-24 school year, the QAR process has been updated to provide each school with a two-day visit, including visiting grade level and content area Professional Learning Teams. Visiting teams will stay consistent during a three-year cycle, providing ongoing support for school improvement efforts.
CORE CURRICULUM

The K-12 subject area coordinators continued the District’s ongoing process of developing and implementing curriculum that is aligned with the Michigan State Standards for K-12 Science, Mathematics, and English Language Arts (ELA), and the proposed standards for Social Studies.

The following statements define our broad cognitive goals for students’ learning in these subjects. They reflect the state’s standards for College and Career Readiness for English language arts and mathematics and the state’s grade level content expectation for science and social studies.

**K-12 goals for English Language Arts are:**
- Read closely to determine what the text says.
- Make logical inferences.
- Determine central ideas or themes of a text.
- Cite specific textual evidence when writing or speaking to support conclusions drawn from a text.
- Interpret words and phrases as they are used in a text.
- Analyze the structure of texts.
- Assess how point of view or purpose shapes the content or style of a text.
- Integrate and evaluate content presented in diverse formats and media.
- Evaluate the argument and claims in a text.
- Analyze how two or more texts address similar themes.
- Read and comprehend increasingly complex literary and informational texts.
- Write arguments to support claims with evidence from texts.
- Write informative texts to convey information.
- Write narratives to develop real or imagined experiences.
- Produce clear and coherent writing.
- Develop and strengthen writing using the writing process.
- Use technology to produce and publish writing.
- Conduct short as well as more sustained research projects.
- Gather relevant information from multiple print and digital sources.
- Draw evidence from literary or informational texts to support research.
- Write routinely for a range of tasks.
- Demonstrate command of the conventions of standard English grammar and usage.
- Understand how language functions.
- Determine the meaning of unknown words and phrases.
- Demonstrate understanding of figurative language.
- Acquire and use academic and domain-specific words and phrases.

**The K-12 goals for Mathematics are:**
- Develop personal management skills, confidence and a positive attitude toward the use, value and power of mathematics.
- Acquire the skills necessary to interact with others in learning and problem-solving situations.
- Make sense of problems and persevere in solving them.
- Construct viable mathematical arguments and critique the reasoning of others.
- Learn to reason abstractly and quantitatively.
- Recognize the connections among mathematical topics, other disciplines and everyday experiences and use mathematic models to solve real-world problems.
- Become competent in the selection and application of appropriate tools for solving mathematical problems.
• Attend to precision when performing mathematical calculations and communicating thoughts and results with others.
• Look closely for a pattern or structure to help make sense of mathematical problems.
• Look for regularity and repeated reasoning when solving mathematical problems.
• Develop number sense to demonstrate, analyze and use the various forms of real numbers, their relationships and algorithms.
• Develop mental mathematics and estimation skills.
• Understand and use measurement in practical situations.
• Develop geometric concepts and spatial sense.
• Use probability and statistical concepts and methods to solve problems.
• Interpret and apply algebraic concepts and methods to solve real life problems.
• Continually evaluate the reasonableness of intermediate results and final answers.

The K-12 goals for Science are:
• Understand that learning science is an active process.
• Understand that engaging in scientific inquiry and reasoning in a scientific context is central to science learning.
• Understand that life, physical and earth sciences are interconnected by the concepts of patterns, cause and effect, scale and proportion, systems, models, energy and matter, structure and function, stability and change.
• Ask questions and define problems.
• Develop and use models to help explain natural phenomena, analyze systems, and test possible solutions to new problems.
• Plan and carry out systematic scientific investigations both in the laboratory and in the field using science process skills.
• Analyze and interpret data looking for significant features and patterns in the data in order to derive meaning.
• Use mathematics and computational thinking, along with appropriate technology, to represent physical variables and their relationships.
• Construct explanations and design solutions.
• Engage in scientific reasoning and argumentation using data and facts as evidence.
• Communicate findings clearly and persuasively, including supporting data.
• Evaluate the findings of others based on scientific evidence.
• Develop scientific literacy through information processing (oral communication reading, writing); critical thinking and problem solving strategies.
• Understand that the nature of science demands responsible action in dealing with science-related societal issues.

The K-12 goals for Social Studies are:
• Apply social studies concepts and processes as informed, thinking, capable citizens to contribute and participate productively in their families, work community and nation.
• Utilize primary and secondary sources to obtain, acquire, process and organize relevant information.
• Use social studies concepts and principles to communicate effectively regarding public policy questions and issues.
• Participate and effectively act on social and public policy issues important to their own lives.
• Understand and apply recurring themes and pervasive issues in historical events and personages across time and geographical space.
- Understand and analyze relationships between human society and the environment.
- Apply understanding of the purposes, organization and ideas of political systems and relationships to individual and group behavior.
- Apply understanding of concepts and principles of economics
- Understand global interdependence and issues which affect people all over the world.
- Learn through domain specific texts to obtain social studies concepts.
- Analyze information and come to conclusions in an inquiry. These skills focus on gathering and evaluating sources, and then developing claims and using evidence to support those claims.
- Be able to collaborate with others as they communicate and critique in public venues.
STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED ASSESSMENTS

The following tables show the results of local testing for the district. Students are assessed using district created benchmark assessments, running records and I Ready Diagnostic Assessment.

DISTRICT ASSESSMENTS – Preschool Benchmark Assessments

Students in preschool are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills.

| YOUNG 5’S AND 4 YR. PRESCHOOL BENCHMARK ASSESSMENTS |
|-----------------------------------------------|------------------|
| 60% of Letter Identification                  | Rote Counting to 20 |
| Spring 2023                                   | 86%              | 99%              |
| Spring 2022                                   | 86%              | 85%              |

Students in kindergarten are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills.

| EARLY LITERACY BENCHMARK ASSESSMENT - KINDERGARTEN |
|-----------------------------------------------|------------------|
| Letter Identification | Letter Sounds | Rhyme |
| Spring 2023          | 90%           | 88.5% | 73.5% |
| Spring 2022          | 91.3%         | 90.9% | 89.5% |

DISTRICT LITERACY ASSESSMENTS – Running Records

Students in grades K-4 are assessed using running records with comprehension to students one-on-one. Kindergarten teachers administer running records with comprehension in the spring and at the end of the school year. Students in grades 1-4 are assessed multiple times each year.

| RUNNING RECORDS ASSESSMENTS- GRADES K-4 |
|----------------------------------------|------------------|
| Percent of Students that Performed At or Above Grade Level |
| Kindergarten | Grade 1 | Grade 2 | Grade 3 | Grade 4 |
| Spring 2023 | 68.1%  | 67.8%  | 76%    | 72.5%   | 72.6%   |
| Spring 2022 | 63.8%  | 69.3%  | 71.6%  | 82.5%   | 70.2%   |

DISTRICT LITERACY ASSESSMENTS – i-Ready

The following chart shows the percentage of students at each grade level that performed mid or above grade level on the i-Ready Diagnostic Assessment at the end of the school year.

Kindergarten students are assessed on their attainment of grade-level reading standards two times during the school year using the i-Ready Reading Diagnostic Assessment. In grades 1-6, students are assessed on three or more times during the school year to drive instruction and interventions.

STUDENT ACHIEVEMENT ON STATE AND NATIONAL ASSESSMENTS

STATE ASSESSMENTS

The PSAT 8/9, 10 and SAT are part of the College Board’s “SAT Suite of Assessments” and is offered to eighth through eleventh grades. These national tests measure the same skills and knowledge in ways that make sense for different grade levels. The tests keep pace with student progress, matching the scope and difficulty of work in the classroom. All students take PSAT 8/9, 10 and SAT as a part of the State of Michigan’s assessment system (MME).

This data can also be found on [MISCHOOL DATA- Livonia Public Schools](#). Attached to this report is the State Assessment Data for Livonia Public Schools and all the individual schools that are a part of Livonia Public Schools. These reports include student proficiencies on M-STEP, PSAT, SAT and MiAccess.

HOME/SCHOOL PARTNERSHIP

One of the most important factors in a child’s success in school is the involvement of parents or guardians in the educational process. We provide multiple opportunities a year for parents to collaborate with schools around their student’s academic achievement.

At the elementary level, 96.2% of parents (6,529) attended parent-teacher conferences during 2022-23 school year and 95.9% of parents (6501) attended parent-teacher conferences during the 2021-22 school year.

At the secondary level, 33.66% of parents (2,300) attended parent teacher conferences in fall of the 2022-23 school year and 33% of parents (2,096) attended parent teacher conferences in the 2021-22 school year.

PTA/PTSA in Livonia is an active partnership involving parents, educators, and community members. Livonia Public Schools has 23 school units and continues to have one of the largest PTA/PTSA memberships in Michigan. PTSA values collaboration and commitment by partnering with an array of individuals and organizations while engaging families across our community. Parents are encouraged and welcomed to be partners in their child’s education through volunteering at the school level in a variety of ways including: planning science fairs, popcorn days, fun runs and much more. Participation in the
National Reflections Art Program receives tremendous support from our local PTA/PTSA units. Last year, around 1,200 students district-wide participate in our Youth Making a Difference program by completing community service projects. Projects range from collection of food, clothing or money for charity to cleaning up school or community grounds, making cards for veterans or making blankets for animals in shelters. Many PTA’s also provide scholarships to students, including giving money for field trips, band camps or for continuing education after K-12.

SPECIALIZED PROGRAMS

The LPS school district provides educational alternatives and opportunities for students and meets special education needs in addition to the regular K-12 program. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

Elementary

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School, Niji-Iro Japanese Immersion Elementary School and special education centers at Coolidge, Grant, Johnson, Randolph and Webster. A preschool is operated at the Jackson Center, a Great Start Readiness Program (GSRP) is located at Garfield Community School, and preschool special education programs are located at Roosevelt Elementary and Jackson Center. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

Middle School

Our middle school students may be enrolled in the Middle School Alternative Classrooms for the Academically Talented (MACAT) program and special education centers at Frost as an alternative to the regular 7-8 program. Other special education programs are available in western Wayne County for our students with disabilities based upon their individual needs.

High School

In addition to the regular 9-12 program, our high school students may be enrolled in the Career Intern Program; CTE courses at the Livonia Career Technical Center; Mathematics, Science and Computer (MSC) program at Churchill; Creative and Performing Arts (CAPA) program at Churchill; Global Education program at Stevenson; the special education, pre-vocational and vocational education program for students with disabilities at Franklin and Churchill; and our post high school program Western Wayne Skill Center at Garfield Community School and the Livonia Transition Program (LTP) at Schoolcraft College. Other special education programs for high school students are available in western Wayne County for our students with disabilities based upon their individual needs.

Title 1

Academic support is provided to students in all schools. In addition, some schools qualify for Title I academic supports based on the percent of students receiving free and reduced lunch. Students are identified for service by scores on district assessments, both academic and social emotional. For the 2022-23 school year the following schools qualify as Title I schools: Cleveland, Cooper, Grant, Hayes, Kennedy, Randolph, Roosevelt, Rosedale and Johnson elementary schools.
The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District’s educational programs. It is recognized and appreciated that parents/guardians are the “first teachers” of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child’s educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District’s Parental Involvement plan to all parents.
These reports contain the following information:

**Student Assessment Data**
Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This report section presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7 and 11, compared to state averages for all students as well as subgroups of students.

**Accountability – Detail Data and Status**
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

**Teacher Qualification Data**
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders. Reports teachers who are teaching with emergency or provisional credentials.
- Includes teachers who are not teaching in the subject or field for which they are certified.

**NAEP Data (National Assessment of Educational Progress)**
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8.

**Civil Rights Data**
- Provides information on school quality, climate and safety.

The link [MISCHOOL DATA- Livonia Public Schools](#) will take you to the reports provided by the Michigan Department of Education for Livonia Public Schools.
