Coolidge Elementary

2023-2024
Annual Education Report

Coolidge Elementary School
30500 Curtis
Livonia, MI 48152
734 744-2705
Kristina Collyer, Principal
February 1, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-2023 education process for Coolidge Elementary School. The AER addresses the complex reporting information required by federal law and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Kristina Collyer, Principal of Coolidge Elementary, for assistance.

The AER is available for you to review electronically by visiting the following web site Coolidge Website or you may review a copy by contacting Coolidge Elementary School office.

For the 2023-2024 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-2023. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-2022. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-2022. Some schools are not identified with any of those labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district’s parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education and is required to be presented in MDE format. Based on this data, our school has identified students one to two grade levels behind, for whom additional intervention and support is needed to increase their proficiency and to close the achievement gap in the targeted areas.

In place is a multi-tiered system of support, including the use of research-based interventions, targeting specific subgroups of students with specific needs. Kindergarten, first and second grade teachers utilize Orton-Gillingham, a multisensory phonics curriculum. Our third and fourth grade teachers are in the process of learning and using Morphology. All teachers are using the Livonia Public Schools integrated units of study that incorporates reading, writing, science and social studies content. Intervention is determined by a student’s iReady Diagnostic score, BAS reading level, and Informal Decoding Inventory score. These
interventions include Basic Alphabet Knowledge (BAK), Using Letter Sounds, Using Letter Patterns, Blends and Digraphs, R-Controlled Vowels, Vowel-Consonant-e, Long-Vowel Teams, and Multisyllabic Decoding. Interventions are also available in this program for Fluency and Comprehension (FAC) and Vocabulary and Comprehension (VAC). Grade level teams meet regularly for PLC sessions, and we conduct schoolwide data dialogues three times each year to reflect on student growth and achievement. These initiatives are intended to accelerate the student achievement of Coolidge subgroups, including the state’s Bottom 30%, that are not meeting our school’s proficiency targets.

State law requires that we also report additional information as found on the following pages.

Our collaborative efforts positively impact our school’s success and student achievement as evidenced by the steady reduction of students on Individualized Reading Intervention Plans.

Sincerely,

Kristina Collyer
Coolidge Principal
MISSION STATEMENT

To educate, challenge and inspire every student to achieve personal success and become a confident contributor to society.

VISION

We promote a passion for learning and a philosophy that puts the needs of children and their education first.

VALUES/COLLECTIVE COMMITMENTS

1. Safety – Staff and students will help create and maintain a teaching and learning environment that is physically and emotionally safe for all.
2. Climate – Staff and students will promote a school environment that is both positive and supportive.
3. Expectations – Staff and students will work together to foster a growth mindset and apply expectations that are continually discussed, modeled and practiced.
4. Authentic Learning – Staff and students will engage in learning that has a clear purpose and builds a foundation for college and career readiness.
5. Focused Goals and Curriculum – Staff and students will focus on prioritized standards that encourage deep understanding and application of higher level skills in context.

SCHOOL PROFILE

Coolidge Elementary School serves 540 students in grades K-4. The principal of Coolidge Elementary School is Kristina Collyer, and there are 36 professional teaching staff members and a media specialist. Coolidge contains a center program for students with autism. There are 30 students in the center.

In addition, there are the following professional support staff: school psychologist, school social worker, Elementary Support Teacher, speech and language therapist, resource classroom teacher, teacher consultant outreach, occupational and physical therapist, and homebound or hospitalized services.

Assisting all of us in keeping the building operating in an organized manner, keeping the building clean, serving nutritious food and helping teachers and students are: custodians, secretaries, paraprofessionals and lunchroom personnel.

ASSIGNING PUPILS TO THE SCHOOL

All students are assigned to Coolidge Elementary based upon attendance, within the geographic boundaries of the school as well as students who transfer in based on seats available.
SCHOOL IMPROVEMENT

School improvement is a process by which stakeholders in a school work cooperatively to improve student achievement. An analysis of student achievement data led Coolidge Elementary Staff to focus our improvement efforts on the fundamental areas of reading, writing, mathematics, and science. We have developed action plans using proven interventions and are annually documenting our progress toward the achievement of these goals.

2021-2023 goals:
1. All students at Coolidge Elementary will be proficient in the standard Math Practice 1
2. All students at Coolidge Elementary will be proficient in the standard Literacy Reading 1
3. All students at Coolidge Elementary will be proficient in the standard Literacy Writing 2

SPECIALIZED SCHOOLS OR PROGRAMS

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School, Niji-Iro Japanese Immersion Elementary School and special education centers at Coolidge, Grant, Johnson, Randolph and Webster. A preschool is operated at the Jackson Center, a Great Start Readiness Program (GSRP) is located at Garfield Community School, and preschool special education programs are located at Roosevelt Elementary and Jackson Center. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

CORE CURRICULUM

The core curriculum at Coolidge Elementary provides learning experiences in reading, writing, speaking, listening, spelling, handwriting, mathematics, social studies, science, technology, health, physical education, art, vocal music, and enrichment activities. The core curriculum is based on the Michigan Department of Education Common Core State Standards for Mathematics and English Language Arts, the State of Michigan Social Studies Standards and the Next Generation Science Standards.

The goal of education is to provide all learners with a solid foundation of skills, knowledge, and understandings that are necessary for their continual growth and success as students within the school setting and as adults in society. As a result of sound K-12 education based on well defined educational outcomes, a Livonia Public School graduate will:
1. Respect self, others, and the environment.
2. Communicate effectively.
3. Know how to learn and work productively.
4. Acquire and process information.
5. Use critical and creative thinking to make decisions and solve problems.
7. Acquire a core of understanding and competencies within the content areas.

A copy of the core curriculum may be obtained from the district's Academic Services Department.

**STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED AND NATIONAL ASSESSMENTS**

The following tables show the results of local testing for the district. Students are assessed using district created benchmark assessments, running records and I Ready Diagnostic Assessment.

**DISTRICT LITERACY ASSESSMENTS**

Students in kindergarten are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills. The following table, Early Literacy Benchmark Assessment - Kindergarten, shows the results of this testing by school and district.

<table>

Students in grades K-4 are assessed using running records with comprehension to students one-on-one. Kindergarten teachers administer running records with comprehension in the spring and at the end of the school year. Students in grades 1-4 are assessed multiple times each year. The following table shows the percent of students at each grade level that performed at or above grade level on this assessment.

The following chart shows the percentage of students at each grade level that performed at or above grade level on the i-Ready Diagnostic Assessment at the end of the school year.

Kindergarten students are assessed on their attainment of grade-level reading standards two times during the school year using the i-Ready Reading Diagnostic Assessment. In grades 1-4, students are assessed on three or more times during the school year to drive instruction and interventions.

PARENT TEACHER CONFERENCES

One of the most important factors of a child's success in school is the involvement of parents or guardians in the educational process. Coolidge Elementary has a high degree of parental involvement as 97% (494/507) of our parents attended parent teacher conferences in 2022 and 98% (478/507) in 2023.

PARENT INVOLVEMENT

The district's Parent Involvement Plan is available on the district's website, which is linked to each school's website.

---

BOARD POLICY

INSTRUCTIONAL PROGRAM  JUNE 20, 2011
PARENT INVOLVEMENT  Reviewed 5/2014

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District's educational programs. It is recognized and appreciated that parents/guardians are the “first teachers” of their children, and that their interest and involvement in the education of their child should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District's Parental Involvement plan to all parents.
DATA FROM THE MICHIGAN DEPARTMENT OF EDUCATION

These reports contain the following information:

Student Assessment Data
Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This section of the report presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7 and 11, compared to state averages for all students as well as subgroups of students.

Accountability – Detail Data and Status
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders. Reports teachers who are teaching with emergency or provisional credentials.
- Includes teachers who are not teaching in the subject or field for which they are certified.

NAEP Data (National Assessment of Educational Progress)
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data
- Provides information on school quality, climate and safety.

This link: MiSchool Data - Coolidge will take you to the reports provided by the Michigan Department of Education for Coolidge Elementary School.
