Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-2023 education process for Randolph Elementary School. The AER addresses the complex reporting information required by federal law and state laws. The school’s report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Julie Linn, Principal of Randolph Elementary, for assistance.

The AER is available for you to review electronically by visiting the following web site Randolph Website or you may review a copy by contacting Randolph Elementary School office.

For the 2023-2024 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-2023. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-2022. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-2022. Some schools are not identified with any of those labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district’s parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education and is required to be presented in MDE format. Based on this data, key challenges for our school include addressing the specific academic needs of students with disabilities, economically disadvantaged students and English Language Learners. Data trends indicate that of these underperforming subgroups, students with disabilities manifest the largest achievement gaps and hence we are providing additional interventions and supports so as to increase their proficiency and close the achievement gaps in the targeted areas.

In place is a multi-tiered system of support implemented and monitored by our building’s Student Achievement Team. This intervention system includes the use of the research-based interventions, such as the Leveled Literacy Intervention (LLI) program. In addition, ongoing professional development and staff dialogue focusing on instructional strategies to
support struggling learners takes place regularly within and across all grade levels. Randolph staff also engages in ongoing analysis of formative and summative assessments to determine the needs of all students, followed by the provision of targeted learning interventions for all subgroups of students in need of these supports.

The Randolph staff integrated the PBIS philosophy as well to teach routines and procedures. We have a school-wide behavior matrix that guides our decisions that is a blend of the Leader in Me and PBIS philosophies.

These initiatives are intended to accelerate the student achievement of subgroups, including the state’s Bottom 30%, that are not meeting our school’s proficiency targets.

Our collaborative efforts positively impact our school's success and student achievement as evidenced by the steady reduction of students on Individualized Reading Intervention Plans.

Sincerely,
Julie Linn, Randolph Principal

Randolph Elementary School serves 519 students in grades K-4. We have 461 general education students and Randolph houses a local Resource Room Center program composed of 55 students. The principal of Randolph Elementary School is Julie Linn. There are 30 professional teaching staff members (including music, art, physical education, project lead the way and a media specialist).

In addition, there is the following professional support staff: school psychologist, school social worker, Elementary Support Teachers (E.S.T.), speech and language therapists, resource classroom teacher, teacher consultant outreach, occupational and physical therapist, and homebound or hospitalized services.

Assisting all of us in keeping the building operating in an organized manner, keeping the building clean, serving nutritious food, and helping teachers and students are: custodians, secretaries, paraprofessionals, and lunchroom personnel.

ASSIGNING PUPILS TO THE SCHOOL

All students are assigned to Randolph Elementary based upon attendance, within the geographic boundaries of the school as well as students who transfer in based on seats available.

SCHOOL IMPROVEMENT

School improvement is a process by which stakeholders in a school work cooperatively to improve student achievement. An analysis of student achievement data led Randolph Elementary Staff to focus our improvement efforts on the fundamental areas of reading, writing, mathematics, and science. We have developed action plans using proven interventions and are annually documenting our progress toward the achievement of these goals.
School Improvement Goals for 2022-2025:

- All students at Randolph Elementary School will become proficient in math.
- All students at Randolph Elementary School will become proficient writers in all the content areas.
- All students at Randolph Elementary School will become proficient readers of grade level content.

SPECIALIZED SCHOOLS OR PROGRAMS

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School, Niji-Iro Japanese Immersion Elementary School and special education centers at Coolidge, Grant, Johnson, Randolph and Webster. A preschool is operated at the Jackson Center, a Great Start Readiness Program (GSRP) is located at Garfield Community School, and preschool special education programs are located at Roosevelt Elementary and Jackson Center. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

CORE CURRICULUM

The core curriculum at Randolph Elementary provides learning experiences in reading, writing, speaking, listening, spelling, handwriting, mathematics, social studies, science, technology, health, physical education, art, vocal music, and enrichment activities. The core curriculum is based on the Michigan Department of Education Common Core State Standards for Mathematics and English Language Arts, the State of Michigan Social Studies Standards and the Next Generation Science Standards. A copy of the curriculum may be obtained at the office.

The goal of education is to provide all learners with a solid foundation of skills, knowledge, and understandings that are necessary for their continual growth and success as students within the school setting and as adults in society. As a result of sound K-12 education based on well defined educational outcomes, a Livonia Public School graduate will:

1. Respect self, others, and the environment.
2. Communicate effectively.
3. Know how to learn and work productively.
4. Acquire and process information.
5. Use critical and creative thinking to make decisions and solve problems.
7. Acquire a core of understanding and competencies within the content areas.
STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED AND NATIONAL ASSESSMENTS

The following tables, show the results of local testing for the district. Students are assessed using district created benchmark assessments, running records and I Ready Diagnostic Assessment.

DISTRICT LITERACY ASSESSMENTS

Students in kindergarten are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills. The following table, Early Literacy Benchmark Assessment - Kindergarten, shows the results of this testing by school and district.

### DISTRICT MATHEMATICS ASSESSMENTS

The following chart shows the percentage of students at each grade level that performed at or above grade level on the i-Ready Diagnostic Assessment at the end of the school year.

Kindergarten students are assessed on their attainment of grade-level reading standards two times during the school year using the i-Ready Reading Diagnostic Assessment. In grades 1-4, students are assessed on three or more times during the school year to drive instruction and interventions.

### PARENT TEACHER CONFERENCES

One of the most important factors of a child’s success in school is the involvement of parents or guardians in the educational process. Randolph Elementary has a high degree of parental involvement 98% of our parents (441 of 450 families) attended or participated in a parent-teacher conference during 2022-2023 and 96% (417 of 436 families) during the 2023-2024 school year. Our PTA membership is 100% for staff and 107 family members during the 2023-2024 school year.
PARENT INVOLVEMENT

The district’s Parent Involvement Plan is available on the district’s website, which is linked to each school’s website.
DATA FROM THE MICHIGAN DEPARTMENT OF EDUCATION

These reports contain the following information:

Student Assessment Data
Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This section of the report presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7 and 11, compared to state averages for all students as well as subgroups of students.

Accountability – Detail Data and Status
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders. Reports teachers who are teaching with emergency or provisional credentials.
- Includes teachers who are not teaching in the subject or field for which they are certified.

NAEP Data (National Assessment of Educational Progress)
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data
- Provides information on school quality, climate and safety.
