Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-2023 education process for Roosevelt Elementary School. The AER addresses the complex reporting information required by federal law and state laws. The school’s report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Diana Shahin, Principal of Roosevelt Elementary, for assistance.

The AER is available for you to review electronically by visiting the following website Roosevelt Website or you may review a copy by contacting Roosevelt Elementary School office.

For the 2023-2024 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-2023. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-2022. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-2022. Some schools are not identified with any of those labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district’s parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education and is required to be presented in MDE format. Based on this data, our school has identified students one to two grade levels behind, for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas.

This year, we continue to utilize the multi-tiered system of support that is in place for our struggling learners. This multi-tiered system includes the use of a Universal Diagnostic Screener, called i-Ready and research-based interventions, which include i-Ready instruction. In addition, ongoing Professional
Development and dialogue focusing on strategies to support struggling learners takes place regularly during grade-level collaboration and defined professional development and collaborative learning times. Ongoing analysis through our local data dives of formative assessment is done to determine the needs of all students, followed by the provision of targeted learning intervention to students in need.

These initiatives are intended to accelerate the student achievement of subgroups, including the state's Bottom 30%, that are not meeting our school's proficiency targets.

State law requires that we also report additional information as found on the following pages.

Our collaborative efforts positively impact our school's success and student achievement as evidenced by the steady reduction of students on Individualized Reading Intervention Plans.

Sincerely,

Diana Shahin
Roosevelt Principal

SCHOOL IMPROVEMENT

School improvement is a process by which stakeholders in a school work cooperatively to improve student achievement. An analysis of student achievement data led Roosevelt Elementary Staff to focus our improvement efforts on the fundamental areas of reading, writing, mathematics, and science. We have developed action plans using proven interventions and are annually documenting our progress toward the achievement of these goals.

Our building’s school improvement team established these goals for 2022-2025:

- **Reading Goal:** All students at Roosevelt Elementary will be proficient in the standard Literacy Reading 1. Roosevelt Elementary will see a 3% annual increase in mastery of informational comprehension per the I Ready window 4 diagnostic over the next 3 years. This year’s mastery was at 56%. Next year we are aiming for 59% mastery.

- **Math Goal:** All students at Roosevelt will be proficient in making sense of math problems and persevere in solving them. Roosevelt Elementary will see a 3% annual increase in overall mastery of mathematics per the I Ready window 4 diagnostic over the next 3 years. This year’s mastery was 66%. Next year we are aiming for 69%.

- **Writing Goal:** All students at Roosevelt Elementary will be proficient in the Standard Literacy Writing 2 Roosevelt Elementary will see a 3% annual increase in overall mastery of informational writing per the informational writing prompt over the next 3 years. This year our school had a 52% mastery rate, so next year we are aiming for 55%.

Our building’s school improvement team established these goals for 2021-2022:

1. All students at Roosevelt Elementary will become proficient writers as defined by the Common Core State Standards.
2. All students at Roosevelt Elementary will become proficient in math as defined by the Common Core State Standards.
3. All students at Roosevelt Elementary will be proficient in reading as defined by the Common Core State Standards.
SPECIALIZED SCHOOLS OR PROGRAMS

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School, Niji-Iro Japanese Immersion Elementary School and special education centers at Coolidge, Grant, Johnson, Randolph and Webster. A preschool is operated at the Jackson Center, a Great Start Readiness Program (GSRP) is located at Garfield Community School, and preschool special education programs are located at Roosevelt Elementary and Jackson Center. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

CORE CURRICULUM

The core curriculum at Roosevelt Elementary provides learning experiences in reading, writing, speaking, listening, spelling, handwriting, mathematics, social studies, science, technology, health, physical education, art, vocal music, and enrichment activities. The core curriculum is based on the Michigan Department of Education Common Core State Standards for Mathematics and English Language Arts, the State of Michigan Social Studies Standards and the Next Generation Science Standards.

The goal of education is to provide all learners with a solid foundation of skills, knowledge, and understandings that are necessary for their continual growth and success as students within the school setting and as adults in society. As a result of sound K-12 education based on well defined educational outcomes, a Livonia Public School graduate will:

1. Respect self, others, and the environment.
2. Communicate effectively.
3. Know how to learn and work productively.
4. Acquire and process information.
5. Use critical and creative thinking to make decisions and solve problems.
7. Acquire a core of understanding and competencies within the content areas.

A copy of the core curriculum may be obtained from the district's Academic Services Department.

STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED AND NATIONAL ASSESSMENTS

The following tables, show the results of local testing for the district. Students are assessed using district created benchmark assessments, running records and I Ready Diagnostic Assessment.
DISTRICT LITERACY ASSESSMENTS

Students in kindergarten are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills. The following table, Early Literacy Benchmark Assessment - Kindergarten, shows the results of this testing by school and district.

**PARENT TEACHER CONFERENCES**

One of the most important factors of a child’s success in school is the involvement of parents or guardians in the educational process. Roosevelt Elementary has a high degree of parental involvement as evidenced by our Curriculum Night, Parent-Teacher Conferences, and PTA participation. During the 2022-2023 school year, 404 parents (96%) attended Parent-Teacher conferences.
The district’s Parent Involvement Plan is available on the district’s website, which is linked to each school’s website.

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District’s educational programs. It is recognized and appreciated that parents/guardians are the “first teachers” of their children, and that their interest and involvement in the education of their child should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) how to become more involved in their child’s educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District’s Parental Involvement plan to all parents.
DATA FROM THE MICHIGAN DEPARTMENT OF EDUCATION

These reports contain the following information:

Student Assessment Data
Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This section of the report presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7 and 11, compared to state averages for all students as well as subgroups of students.

Accountability – Detail Data and Status
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders. Reports teachers who are teaching with emergency or provisional credentials.
- Includes teachers who are not teaching in the subject or field for which they are certified.

NAEP Data (National Assessment of Educational Progress)
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data
- Provides information on school quality, climate and safety.
