Speakers' Club - Embryology and fertility talk - Thurs 7 March 1.30pm

We are delighted to welcome back former pupil, Professor Alison Campbell to give us an inspirational talk on Thursday 7 March, 1:30 – 2pm. Professor Campbell is an embryologist with expertise in fertility/IVF. She is Chief Scientific Officer at Care Fertility, a Consultant in Reproductive Science and honorary Professor of Biosciences at Kent University.

This promises to be a fascinating talk for anyone studying biology and anyone interested in research/medical science and even AI or Computing.

Y11 and Y12 PwC Females of the Future – Thurs 22 February 2pm - 5pm

Join global accountancy and technology firm PwC at their offices in Manchester to gain invaluable insight into the inner workings of one of the world's largest accounting and professional services companies. This session is open to students in Y11 & Y12 interested in business, accounting or technology.

It's going to be all about female empowerment in the workplace, diversity, and inclusion along with some brilliant skills workshops to help you progress your career after school. As well as this you will also hear about some of their fantastic school leaver and work experience opportunities. Places will go quickly so sign up here asap: [PwC Females of the Future In-Person Event in Manchester Survey \(surveymonkey.com\)](https://www.surveymonkey.com)

Work Experience Opportunities

It is great to get as many work experience opportunities as possible, both for your own development and for your CV. Take a look at the following websites for in person and online opportunities –

Unifrog – under 'Special Opportunities' and then 'Online/Worldwide'

Springpod - [Virtual work experience \(springpod.com\)](https://springpod.com)

InvestIn - [Summer Experiences 2024 – InvestIN Education](https://www.investin.com)

Y11 – Y13 International Women's Day Careers Event, Manchester, Fri 8 March 5pm – 8pm

Join a fantastic line up of employers for an evening in Manchester. During the event, you will hear two inspiring panel discussions from senior leaders within the industry as well as recent graduates and apprentices. The event is all about female empowerment in the workplace and how you could follow in the footsteps of successful female leaders in global businesses. Employers include:

Lloyds Banking Group KPMG Accenture Mazars
Grant Thornton BT Group Amazon PwC Direct Line Group

There will be lots of networking opportunities where you will be able to speak directly with these heavyweight employers and all the leaders in their respective industries.

Sign up ASAP to secure your place. [Young Professionals International Women's Day Work Experience in Manchester Survey \(surveymonkey.com\)](#)

Y7 – Y13 Advancing architecture: Housing and media in contemporary architecture

What role do buildings play in the way we live our lives? Do our homes have an influence on the quality of our personal and social experiences? Studying architecture gives you the chance to learn the professional skills required to design and construct buildings, and a chance to explore the meaning and impact of those actions. Join this webinar with the University of Plymouth to learn more. Thursday 22 February at 4.30pm. Sign up on your Unifrog homepage.
