Re: San Pasqual School – Fire Sprinkler Service

Dear Mr. Sifuentes,

We propose to furnish labor, material, and equipment to remove and replace four 8" valves at San Pasqual School, per site walk. This proposal includes, but is not limited to the following:

1. Remove and dispose of existing valves
2. Install new valves, including gaskets and bolts
3. Prevailing wages

This work shall be performed in a neat and workmanlike manner, during normal business hours, for the sum of Sixteen Thousand Nine Hundred Ninety Dollars (\$16,990.00).

Please note that there is approximately 4 week lead time on the material.

Respectfully submitted:
