YMWIC's mission is to empower and prepare economically disadvantaged and historically underrepresented youth to excel and become leaders in Science, Technology, Engineering and Math (STEM) careers through a structured and rigorous curriculum, academic tutoring, mentoring and financial assistance programs.

Join us in supporting YMWIC Scholars as they proudly display and defend their Science Research Projects.

Únase a nosotros para apoyar a los becarios de YMWIC mientras exhiben y defienden con orgullo sus proyectos de investigación científica.
