**Permission for Medication Administration
 Outdoor Education
 (One form per each medication)**

The parent/guardian of _____ asks that properly trained and delegated school staff give
 the following Medication _____ to my child according to the Health Provider's signed
 instructions on the lower part of this form.
(Child's name) (Name of medication)

The School agrees to administer medication prescribed by a health care provider licensed in the state of Colorado. It is the Parent/guardian's responsibility to furnish the medication and to complete and submit the requested information.

The parent agrees to pick up expired or unused medication within one week of notification by staff.

Prescription medications must come in a container labeled with: child's name, name of medicine, time medicine is to be given, dosage, and date medicine is to be stopped as well as the licensed health care provider's name. Pharmacy name and phone number must be packaged in original container. For Outdoor Education 3 doses of extra med may be provided.

Over the Counter medications must be labeled with child's name and prescribed information. Dosage on the container **must** match the signed health care provider authorization. Medicine must be packaged in original container.

By signing this document, I give permission for my child's health care provider to share information about the administration of this medication with the nurse and/or school staff delegated to administer medications.
