LONDON ISD

SHAC Committee
4:15 p.m. – Central Administration

I. Welcome

II. Introduction –

Introduction of members and guests

III. SHAC Policy / Roles / Responsibilities

Briefly discussed policy and organization of the committee

IV. TCHATT

A TCHATT representative presented on the program and how it was a benefit for students. He explained that students have the opportunity to see a licensed professional counselor/psychologist/psychiatrist in a virtual setting at the school for no cost to the family nor the school. He explained that only with parent permission is this allowed. The committee discussed the potential benefits of this service to our families.

V. Social Emotional Learning Curriculum

A Satchel representative presented on the Social Emotional Learning curriculum being utilized in the district. The presenter explained the alignment of the content to the CASEL framework. The committee discussed the benefits for all students.

VI. LIS – Fun Run, Kids Heart Challenge, Field Day

The committee listened to the intermediate principal talk about activities they do on their campus that encourages physical activity that is fun and enjoyable.
