

PERMISSION TO DRIVE-Fall 2020

To decrease the number of students on the buses and to limit COVID19 exposure, students may drive to GTECH for the Fall 2020 Semester once proper permission forms have been signed and on file at GTECH. This may be extended into the Spring semester pending the pandemic status at that time.

_____ has my permission to drive their personal vehicle to G-Tech for the Fall 2020 Semester following the conditions listed below:

1. Only the driver may occupy the vehicle. (No student may ride with another student from a different household)
2. All safety rules of driving must be followed. (Students should not tailgate or pass the GTECH School bus)
3. The driver must travel directly to and from G-Tech without additional stops.
4. The driver must possess a valid Alabama Drivers' License.
5. The driver must keep a copy of this permission form in the car throughout the semester.
6. Students may only park on the grass between the gravel lot and the automotive building.
7. Students are not permitted back to their vehicle until dismissal time.
8. Morning drivers must first report to the awning outside the main building for temperature/symptom screenings

FAILURE TO FOLLOW THE ABOVE RULES COULD RESULT IN DISCIPLINARY ACTION AND REVOCATION OF FUTURE DRIVING PRIVILEGES.

This Form must be completed and signed by all parties before the student can drive.
