

This pathway is ONLY for students who will be entering the workforce, military or 2 year college upon high school graduation.

OPTIONAL COURSE LIST

- Environmental Science
- Anatomy & Physiology Honors
- Marine Science
- Forensic Science
- AP Biology ❃
- AP Chemistry❃
- AP Physics❃
- AP Environmental Science ❃

All Students will complete at least three units of Science.

Students planning to attend a four year College or University are required to complete three units of laboratory science, two of which should be Biology, Chemistry, Physics or one other lab science. The third unit should be one for which Biology and/or Chemistry is a prerequisite. Physical Science is NOT a lab science.

The above pathways are reflective of typical students. Based on grades and teacher recommendation, students may move between tiers (i.e. into Honors or AP).

❃ Denotes a yearlong course (2 credits).
