HOME OF THE TIGERS!

Academic Opportunities

To ensure that all of our students are college and career ready, Conway High offers a wide array of course options on the college preparatory, world language, honors, and advanced placement levels while providing students with a comprehensive high school experience that includes opportunities in the fine arts, athletics and Science, Technology, Engineering and Mathematics (STEM). Students enrolled in our school have the opportunity to participate in 12 Advanced Placement courses. These courses include AP English Language and Composition, AP English Literature and Composition, AP Human Geography, AP Physics 1 and C, AP Art, AP Calculus AB and BC, AP Statistics, AP Government, AP European History, and AP US History. Conway High is also proud to offer students a rigorous, nationally recognized STEM program where students can use 21st-century skills to solve hands-on, real-world problems. Students enrolled in our Project Lead The Way Engineering, Computer Science and Biomedical Science programs earn honors credit and can potentially earn dual enrollment credit. Students who enroll in Pharmacology Technology, Veterinary Science, and Medical Billing and Coding can potentially earn a national certification that can launch them into a career immediately after graduating from high school. Other STEM offerings offered at Conway High include Health Science, Sports Medicine, and Horticulture/Agricultural Science.

Entrance Requirements

Students not in the Conway attendance area may apply to attend CHS by requesting a waiver through the HCS office of Student Affairs. The application is online and may be downloaded from the HCS website.
