Dear Parents/Guardians of High School Students:

Each year, I meet with students and parents to conduct your child's individual graduation plan meeting. This meeting typically lasts about 30-45 minutes. I have included the requirements for a high school diploma below as well as the requirements to attend a 4 year school.

If your child is attending ATA or AAST please schedule your senior meeting with the counselor at their attending school.

Students, please take a moment to complete a career assessment prior to your meeting to have a better understanding of what careers match with your interests. Students can go to <a href="https://navigator.kuder.com/account/login-register">https://navigator.kuder.com/account/login-register</a> and log in with their clever accounts.

#### <u>During our meeting we will discuss some of the following topics:</u>

- Careers of Interest and choose a career cluster:
- <a href="https://ed.sc.gov/instruction/career-and-technical-education/career-guidance/career-cluster-guides/">https://ed.sc.gov/instruction/career-and-technical-education/career-guidance/career-cluster-guides/</a>
- College/Workforce
- Scholarships: <a href="https://www.che.sc.gov/Students,FamiliesMilitary/PayingForCollege/FinancialAssistanceAvailable/ScholarshipsGrantsforSCResidents.aspx">https://www.che.sc.gov/Students,FamiliesMilitary/PayingForCollege/FinancialAssistanceAvailable/ScholarshipsGrantsforSCResidents.aspx</a>
- Course selections for next year
- Academics (Grades, GPA, Transcript)

Any parent that would like to attend should contact me to set up a time and date. IGP meetings will be held Monday through Friday between the hours of 9:00 am-3:00 pm. Due to the current COVID situation and various work schedules, if you are not able to attend and would prefer a phone call or video conference, please respond to let me know what works best for you. I am looking forward to meeting with you all.

Kind Regards,

Kate Diana Collins
