

SUPPORT OPPORTUNITIES

DEAR SUPPORTER OF THEATRE EDUCATION,

It seems like just a short while ago we were moving into our brand new auditorium and kicking off with Opening Night. Now, here we are in our sixth year of producing educational theatre at The Ridge!

This year, the students of the Riverdale Ridge Theatre Company will produce three mainstage productions and one student-directed one act festival.

Already this year, we have produced *Ken Ludwig's Treasure Island* with almost **30 students participating**. For this production, our students learned stage combat skills including sword fighting from a professional fight choreographer. We have also submitted this production for review from the Colorado State Thespians to perform at the state conference in December. Fingers crossed!

We are currently in the middle of rehearsals for our upcoming production of **Little Shop of Horrors** with over **50** student participants in both onstage and offstage roles. This year, our tech crew has finally stepped into fully student run teams with student leaders in charge of every design category. The work you see on stage in November will truly be student work! This production has been submitted to the **Denver Center for the Performing Arts Bobby G High School Theatre Competition**.

In December, **21 of our top students** will travel to the **Colorado State Thespian Conference** in Denver, Colorado to compete with 4000 other Colorado theatre students. All Riverdale Ridge students who attend the conference compete in Individual Events at the state level. These events are both performer and technician focused.

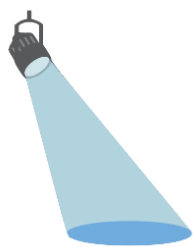

In the spring we will produce the classic American drama, **Our Town**, where our students will explore the text and its relevance to today's world.

I am writing today to ask you to consider supporting the Riverdale Ridge Theatre Company by **purchasing an ad in our playbill** or **donating** to the Riverdale Ridge Theatre Company. While ticket sales make up a significant amount of the income for a theatrical production, donations help offset additional production costs and allow us to improve the tools and resources available to our student artists.

Thank you for your support!

-Judd Farner
