

Here's what Families are saying about RISE

"We like knowing what they are working on in class, and how to help at home."

"I like the interaction and sharing of ideas. Getting ideas and clarification on what is needed really helps when working with my child."

Join us for dinner!

Dinner will be served before or after **RISE**. Enjoy, and get to know other families and school staff!

Tips to Enjoy Learning Together as a Family

- Practice the RISE activity
- Celebrate where your child is improving
- Ask for additional learning ideas from your child's teacher
- Attend Parent-Teacher conferences
- Attend school events

For more information, contact your school's Family Engagement Liaison

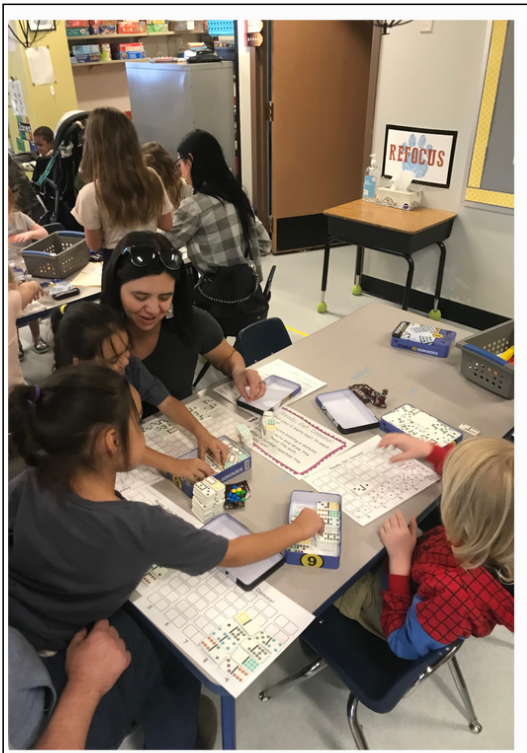

FAMILY GUIDE TO RISE NIGHT

Title I Funded Family Partnership Event

What is RISE?

- **RISE** is a family engagement model designed to create stronger family-school partnerships.
- **RISE** is a one hour meeting where families learn together in their child's classroom, and walk away with take-home academic activities.

What can families expect during a RISE meeting?

1. Window into the classroom

- Discover what your child is learning in class
- Experience an actual classroom lesson taught to families by their teacher

2. Learn About Classroom Data

- Review classroom data
- Learn how to read and understand your child's data

3. Collaborate with other families

- Meet other families in your child's class, and share your ideas for learning at home

4. Activities to continue the learning at home

- Play and practice a take-home learning activity that builds a grade-level skill

How can families get the most out of RISE?

- **Ask questions**
- **Try the take-home activity**
- **Join us for dinner**
- **Meet families**
- **Get to know school teachers and staff**
- **Explore your child's classroom**
