

INTER-DISTRICT TRANSFER AGREEMENT (OOD)
NON-RESIDENT STUDENT REQUEST TO TRANSFER INTO THE DISTRICT

To be eligible to request an inter-district transfer, a student must be the child, grandchild, or sibling of a district employee; or the student or a sibling of the student must be or have previously been enrolled in the District.

1. This transfer is effective for the current school year only.
2. Although approval of a transfer does not guarantee or imply the approval of future transfers to the same campus, the feeder campus or of siblings to the same campus; students currently attending the requested campus or feeder campus will receive a preferential transfer window.
3. The parent or the student will be responsible for transportation to and from the District school to which the student is transferred.
4. The student must maintain acceptable levels of attendance, good academic standing, and compliance with District rules and regulations, including the Student Code of Conduct, throughout the entire school year.
5. If this agreement is revoked, revocation ordinarily will be effective at the end of a semester; however, the Superintendent has discretion to revoke the transfer immediately if the student's continued attendance threatens the safety of other students or teachers or will be detrimental to the educational process.
6. The student and parent acknowledge that eligibility of transfer students for participation in any UIL activity or other activities governed by UIL rules and regulations will be determined in accordance with UIL rules and regulations.
7. Except as modified by this transfer agreement, the student will be subject to all policies, regulations, rights, privileges, and responsibilities of enrollment in the District as if he or she resided in the District.

All decisions will be made based on: **Student's academic, discipline, and attendance records.**

Due to rapid growth in Princeton ISD, some campuses or campus grade levels may be closed to inter-district transfers. The Board's designee will generally deny requests for student inter-district transfers to campuses projected at 90 percent capacity or greater unless significant extenuating circumstances exist.

All inter-district transfers should be submitted to **Princeton ISD Central Administration, at 321 Panther Parkway, Princeton, TX 75407.**
