POLICY REVISION AND REVIEW

In an effort to keep its written policies up to date so that they can be used consistently as a basis for School Committee action and administrative decision, the Committee will review its policies on a regular basis.

In its review, the Committee will evaluate how policies have been implemented. It will consider feedback from school staff, students, and the community when revising policies, as appropriate.

The Superintendent is expected to call to the attention of the Committee all policies that are out of date or for other reason appear to need revision.
