February 2024

Dear Rising Vikings and Families,

We are thrilled to extend a warm welcome to each of you as you embark on your journey to East Lyme High School! As your dedicated school counselors, we are here to guide and support you every step of the way.

To ensure a smooth transition and to help you make informed decisions, we want to highlight some important upcoming events and resources:

Rising Viking Night: February 22nd: Save the date for Rising Viking Night! This special event is designed specifically for incoming freshmen and their families. Join us on February 22nd at 6:00 PM in the ELHS Auditorium to meet our faculty and staff, learn more about our academic programs and extracurricular activities, go on a tour of the building, and get answers to any questions you may have about high school life. Please see our [promotional video here](#).

Course Selection Timeline: It's time to start thinking about your course selections for the upcoming school year! Please refer to the attached Program of Studies and the [9th Grade Elective Choices Sheet](#) for detailed information on available courses and graduation requirements. Middle School counselors will be available to assist you in navigating this process and selecting courses that align with your academic and career goals.

Virtual Tour: While we would love to welcome you to our campus in person, we understand that current circumstances may not allow for it. That's why we have arranged a comprehensive virtual tour of our school. This tour will give you a glimpse into our facilities, classrooms, and extracurricular offerings, helping you feel more familiar with your new environment.

Attached to this email, you will find our [Program of Studies](#), which provides detailed information about our course offerings and graduation requirements. Please take some time to review this document with your student and feel free to reach out to us if you have any questions or need assistance.

We are genuinely excited to begin this journey with you and are committed to providing the support and resources you need to thrive in high school. Please don't hesitate to contact us if you need anything at all.

See you soon!
