

Registration - Common Questions and Answers

Did you take High School classes in Middle School?

Nelsen Middle School offered Algebra, Geometry and Spanish for high school credit. These classes and your grade earned are automatically placed on your high school transcript. If for some reason you do not want the grade and credit added to your transcript then please contact your Lindbergh High School counselor.

Can I waive a class? (PE, Health, Art, etc.)

No – all the classes listed on the High School Graduation Planning Form are required for a Lindbergh diploma. You may hear of students in other districts “waiving classes” but everything on our list is required.

What Honors/AP/High School in the College Courses can I take in future years?

Check out our website for a list of all of the courses that we offer where you can also earn college credit.

https://resources.finalsite.net/images/v1704836204/rentonschoolsus/daouwe5wyescpe3xrvzf/CopyofCTEGradPathwayDualCreditCiHSCollegefinal_1.pdf

All of our Course Offering Sheets for our upperclassmen are also posted on our website.

Take some time and explore all the choices you have ahead of you. Have fun!

I have an IEP or a 504 Plan

This information will be communicated between Nelsen and Lindbergh. All IEP and 504 Plans will be transferred to the high school.

Can I earn credit for being able to speak, read and write a language other than English?

Yes. Please speak to your Nelsen counselor. Proficiency exams are available for students to show mastery in languages other than English. Students may earn up to 4.0 credits and have this credit placed on their High School transcript.

Can I take a class during the summer to get ahead?

Unfortunately, Lindbergh only offers Credit Retrieval Summer School (Retaking a required class that a student has previously taken and failed). Be careful about registering for classes through outside programs. Check with your counselor first to make sure that the credit will transfer to Lindbergh. Previous students have had success with signing up for a course through one of the community colleges or through BYU Independent Study.

I have heard about a program called Running Start. What is it?

Go to the Counseling Webpage and click on the Running Start tab. We have tons of information about Running Start including videos and links to our surrounding colleges.

Other questions?

- All Registration Lessons and Videos are posted on the Lindbergh Counseling website.
- Come to Lindbergh’s Future Freshmen Night- Thursday, February 29th.
- Ask your Nelsen counselor.
- Email your Lindbergh counselor. Student are assigned to their Lindbergh counselors based on the first letter of their last name.
