The required course in American Government is based upon students' previous learning to assist them in being informed and engaged citizens. Emphasis is placed on the rights, responsibilities, and privileges of citizenship. Students will examine the development and the fundamental principle incorporated into the United States Constitution; the organization of government at the federal, state, and local level; political parties and elections; comparative government; and foreign policy. *Completion of this course will satisfy the American Government course graduation requirement.	This course is a comprehensive study of personal financial literacy designed for all students and is aligned to the national standards for personal financial literacy. Students learn how to make informed financial decisions related to budgeting, banking, credit, insurance, taxes and career exploration. An integral component of the financial literacy curriculum is the application of decision-making skills that enable students to become more responsible consumers for lifetime success. *Completion of this course will satisfy the financial literacy course graduation requirement.

Course Information

- eSchool courses require 60-65 hours to complete except Fitness for Life. Courses are self-paced and SMSD recognizes
 students may have other obligations during the window of time. As long as the course is completed by the deadline
 there will be no mandatory login dates/times.
- Fitness for Life 1 and Fitness for Life 2 require pre and post testing in flexibility, strength and cardio. Pretests should be completed within the first seven days of the course. The summer courses require approximately 25 hours of online coursework for Fitness for Life 1 and approximately ten hours of online coursework for Fitness for Life 2, and a minimum of 40 hours of fitness total. The fitness hours will need to be *logged* weekly. Fitness courses cannot be taken during the same eSchool semester.
- Health Education contains a hands-on only CPR component that will need to be demonstrated in-person.
- ELA 3, ELA 4 and US History courses may be taken for semester 1 or semester 2 credit (1/2 unit each). Semester 1 course must be taken before Semester 2 course. Both courses may only be taken during the same eSchool semester with eSchool administrative approval.
- eSchool courses do not meet NCAA eligibility requirements, and courses are not repeatable for credit.

eSchool Enrollment and Tuition Information

- Enrollment for the summer 2023 semester will begin February 20, 2024.
- Students should enroll at their home high school in the counseling office.
- The deadline to enroll is May 31, 2024.
- SMSD students only \$180.00 per course.
- Full payment is required at the time of enrollment with online fee payment (eFunds charges a \$3.00 convenience fee) or with the school bookkeeper. Payment not received within 48 hours of enrollment will remove the student from the course. Partial payments and payment plans are not accepted.

Technology Requirements

SMSD students who enroll in summer eSchool courses will retain their SMSD MacBook device. Proof of enrollment and payment will need to be provided to the student's home school at the time of device check-in. All students will turn in their devices after completion of their summer eSchool course.

Grades

Students may check their grades in Edgenuity at any time in the "Progress Report" area. Progress Reports will also be sent home to email addresses listed in the student's Edgenuity account.
