Superintendent Report: N/A

Principal's Report Twin Hills: Drama performance was incredible. Semester awards went home Friday, with TONS of awards signed off and sent home. Spirit week this week. Sports are going as norma; Color run coming this Spring, April 12- replacing the popcorn sales done in the fall, and going forward will be during the fall. Only during the spring for this first time. Washington DC trip next month, over 50 kids going the week of spring break. March 12- incoming students come and visit. March 14 is TH showcase, their version of open house.

Principal's Report Apple Blossom: Lots of discussions around TK and incoming families. 49 families are currently looking into TK so far. Great to be checked out in these numbers! Most likely 2 Tks. Hoping Kindergarten numbers continue to grow. Looking into being part of the Apple Blossom Parade, with a float. Goal is to keep growing numbers in all grades.

Treasurer Report: Copies of report shared.

Foundation Introduction: made just under 7k from The Little Mermaid. Continuing to ask for donations for auction. Questions around advertising other summer camps, and not being a conflict of interest within our district. We can share, no problem. Our new PE program has donated as well for the auction, and shared information on their summer camps.

Calendar of Events: TH: March 12- incoming students visit, March 14 TH showcase, April 12- TH Color Run

AOB: Drama for next Spring? Including AB students as well, brings cost down for families with more students. Proposed budget is under 8k. Discussion about budget and how much we have brought in this year- how can we do these events and bring in more money, not just break even.
Rewind fundraiser coming up at the end of the month.
Spring event- Lola's will be catering.

Next THABEF scheduled for: March 13 at Apple Blossom
