Annie!

By Kaitlin Franzen

A wonderful classical musical made an appearance at Frewsburg Central School this spring. A musical that everyone has heard of and loves: Annie. A beautiful tale of an orphan girl who finally finds a family with billionaire Oliver Warbucks. The cast was full of many amazing actors and actresses that made a lasting impact of the Frewsburg stage. Bryce "Gibby" Gibbons (10th grade) played the part of Daddy Warbucks, Olivia Sposato (11th grade) played the sweet secretary Grace, and Anna Smith (10th grade) played our dearest Annie. The protagonists of the show were all played by seniors Shawn McDonald, Rooster, Krysta Munella, Lily, and Emily Hanson, Ms. Hannagan. With the help of art club and stage crew, the set looked incredible.

Middle Level Concert

-Bailey South

The Jr. High winter concert was wonderful. The band performed four great songs, including two winter favorites. Afterwards, the chorus performed some holiday selections, including a special performance by the drama chorus of "Santa Bring My Baby Back (to Me)". This great concert

Battle of the Classes!

-Anna Smith

This year, battle of the classes was one of the most exciting yet! The classes competed in events like lip sync, Jell-O eating, popcorn relay, two square, and many more. In fourth, came the Freshman Elite, third was the el chapo Juniors, second came the SophoMORTS, and in first was the Senior citizens. Great job to all of the Classes!

New York City Senior Trip

By Kaitlin Franzen

As the seniors counted down the days until they walk across the stage for their diploma, the senior trip showed everyone how little time they had left in Frewsburg. The senior trip started April 28th on a thursday and ended Sunday May 1st. The seniors started their trip early in the morning boarding the coach bus for a about an eight hour drive to New York City. Many students slept for a short period of time, however the excitement woke everyone up quite quickly. Several students played music on their individual speakers they brought while others watched movies or read.

Finally entering New York City in the early afternoon was exciting. All students were allowed to shop in Times Square for a couple hours as they waited for the showing of Aladdin the musical. The musical started around seven thirty and was it incredible. The music was amazing, the characters were hilarious, and the costumes were gorgeous.

Later that night at around ten thirty, the senior class was introduced to their hotel for the long weekend. After dropping their luggage off in the rooms, almost all students made a midnight trip to McDonalds.

Many did not get to sleep until late.

leaves us looking forward to the spring concert. Great job everyone!

The next day students boarded the panda bus and picked up a tour guide who gave us a bus tour around NYC. Chinatown, Little Italy, and Wall Street were just some places that were viewed on this tour. They were also allowed to visit and shop in these places after the tour finished. Bartering became a competition between some people in Chinatown to see who could purchase a "Rolex" for the lowest price.

There was a solemn moment spent at the 9/11 Memorial. Everyone was calm and quiet. There was a feel to the area that made you stop and think. Several people had left white flowers on several of the names at the memorial, making one pause and think about what had happened.

Students were once again set free for a couple hours of shopping before the big baseball game that was going to be seen live. It was a fantastic game between the Mets and the Giants with the Mets winning 13-1. The weather was quite terrible and it started pouring at one point.

That did not deter fans and the game went on.

The last full day in the city started in the beautiful Central Park. The trees were green and flowers were blooming everywhere. It was so fascinating seeing the transition from concrete skyscraper city to luscious

After a beautiful day in nature compared to back at home where all the plants were still dead, students went back to the hotel to change into dressier clothes. It was time for the dinner cruise. This was one of the funnest parts of the trip. Seniors met with students from three other schools and got to know each other. Pictures were taken on the deck with the setting sun. Dinner was fantastic with several different options to choose from. Everything tasted amazing. The ship was making its way closer to the Statue of Liberty so it was once again time for a photo break. No one wanted the night to end when the DJ started playing music for students to dance to. How all four schools were able to fit on such a small space we may never know. There was then a dance competition between four students from each four schools. It was amazing to watch. The four from Frewsburg were Emily Hanson, Janessa Annis, Raelyn Robinson and Alycia Carr. They performed fantastically.

The night was not endless like many wished and everyone was still forced into their rooms. It was an amazing way to end the trip.

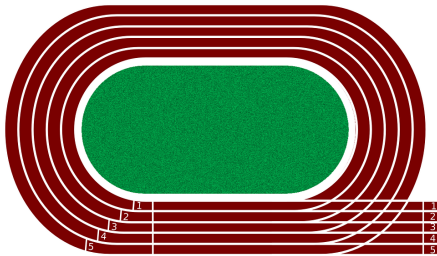

The next morning was spent with some students taking a tour of Radio City Music Hall and others making their final shopping rounds. Students that took the tour were able to meet a Rockette and take pictures of the art that occurs there. No one wanted to leave after such an amazing long weekend. Still, all good things must come to an end and all seniors boarded the bus for another eight hour ride home.

Boys and Girls Track Team

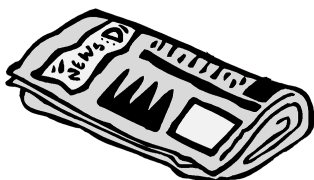

-Julia Peterson

The boys and girls track team did a awesome season this spring. Josh Peterson and Janessa Annis both beat the school records. Josh does the 400 meter dash and the 200 meter dash. Janessa does the long jump. Josh is going to states on June 10 in Syracuse.

greenery. Quite a bit of time was spent just walking the paths of Central Park and visiting the "castle".

(Cont. from page 1) It was plain to see that much time and effort was put into making the scenery as "realistic" as possible. The acting was incredible, the scenes were comedic, and the singing was phenomenal. What an incredible way for the seniors to leave the Bear Players.

Special thanks to the following who make this all possible:

Administration

Danielle O'Connor, Superintendent
Bill Caldwell, Middle/High School Principal
Ann Morrison, Assistant Middle/High School Principal

Board of Education

J. Eric Wright, President
Thomas Fenton, Vice President
Janet Black
Chad Chitester
Jason Ruhlman
Lauren Greenwood
Randall Wiltsie

It's Outta Here!

-Ryan Schrecengost

It's way back, it's gone. This year the Boys Baseball Modified Team finished with an amazing record of 9 wins and 3 losses. On that team were Jack Yost, Aaron Hair, Nick Marsh, Kaleb Bender, Caleb Carr, Austin Lindstrom, Nick Emley, Cooper Spielman, Braydon Coleson, Traden Gray, Daniel Mammoser, Emmet Carlson, and Ryan Schrecengost. They split two games with Silver Creek losing the first one 4-2 and winning the second time around 4-1. They had two dominating victories against Southwestern, the first one 18-2 and the other 10-4. Overall the Boys had an outstanding season. Great Job Boys!
