

ADMINISTRATIVE REGULATIONS

(Adopted 8-21-06)

The Superintendent shall prepare and disseminate administrative rules necessary to implement board policy and shall review such rules periodically to determine their effectiveness in carrying out policies. These rules shall constitute the school district's administrative regulations.

Administrative regulations need not be approved by the Board in advance of issuance except when specific state or federal laws require the Board to do so, or when the Board or Superintendent deems it necessary or advisable.

The Board reserves the right to review and veto any administrative regulation should it, in the Board's judgment, be inconsistent with the policies adopted by the Board.
