

**Addendum to the
Understanding for**

**Memorandum of
the School Year**

2020-2021

- A. This is an Addendum to the Memorandum of Understanding for the school year 2020-2021 between the **San Pasqual Union School District** and The Elizabeth Hospice. The updates in this Addendum are in direct consideration of the COVID-19 crisis. The modifications outlined below are implemented to retain the social emotional and physical safety of students and staff.
- B. Addendum to Memorandum of Understanding is applied to the academic calendar year of 2020-2021 after which all temporary changes will expire, and original services outlined in the Scope of Practice will be honored.
- C. Any additional changes that may be needed at the end of the academic calendar year of 2020-2021 will be drafted under a new Addendum given the considerations of emotional and physical safety at that time.

Childhood Bereavement Training for School Professionals:

- Children's Bereavement Program staff from The Elizabeth Hospice will provide trainings to school professionals in a virtual format. Trainings will launch throughout the remaining school year.

Student Grief Support Group

- Grief Support Groups will be held virtually unless school/district can facilitate on-site.
- Districts can combine school sites given that a school staff is available to respond to both sites.
- Grief Toolkits will be provided to school sites. School point of contact is responsible for distribution of kits to registered students.
- In consideration with "at-home" environment and additional changes in routine, The Elizabeth Hospice has incorporated activities to acknowledge factors interacting with grief and increase emotional awareness and tools.
- The listed interventions will be incorporated into the current curriculum
 - Secondary Loss – The Elephants in the Room
 - Community Building and Connection – Making my Social Platform
- Virtual Consent (Appendix G)
 - A consent form must be completed by guardian before student can participate in virtual support group. The form explains the logistics of virtual platform, expectations and limitations in confidentiality.
- Pre/Post Evaluations – evaluations have been modified to be applicable to virtual platform.
