

FUNDRAISING ACTIVITIES

Money-Raising Activities

Money-raising activities must first be approved by the district administrator's office. The District shall encourage only those fundraising activities which contribute to the educational programs of the school.

Contests, Walk-a-Thons, Etc.

Non-Profit Organizations will receive approval to hold contests, walk-a-thons, etc., if the following stipulations are followed:

- a. The teachers accept the program voluntarily.
- b. No pressure shall be placed on the students to participate.
- c. No pressure shall be placed on the parents to have their child participate.
- d. The program shall benefit the school or group as a whole. Funds earned should be payable to the Jamestown School District and will be placed in the school Activity Fund.

General Announcements and Solicitations

Announcements made for a school organization or for an organization outside of school life must have the approval of the principal or director in that building. There will be no soliciting or sales of any type unless prior approval has been granted through the school district administrator's office. Soliciting or selling is discouraged.

Fund Raising by Activity Groups

All fundraising for co-curricular activities (athletic/non-athletic) must be approved by the Activity Director prior to engaging in the project.

Equipment Purchased by Fundraising

All equipment received through direct donation or purchased with dollars collected through fundraising must be placed in the school district's inventory.
