Mission

San Pasqual Union School ensures all children receive an education that builds character, confidence, knowledge, and skills to prepare them to be competent life-long learners who can achieve individual excellence.

San Pasqual Union School is committed to improving the academic achievement, responsibility, and accountability of all students by establishing high academic and social expectations. Students, staff, and community work collaboratively to achieve common goals. Our school provides a safe environment that inspires enthusiasm, passion, and dedication. San Pasqual Union School upholds high character expectations as a cornerstone to both academic achievement and future success.
